Access to 200+ intervention and training
resources through the *ilearning* app

iaps ilearning is now integrating a school wellbeing system which uses three online surveys and powerful reporting to help schools understand and address the wellbeing and perceptions of staff, pupils and parents.

The surveys link to our vast library of guidance resources for professionals, parents and children, giving schools both the effective data and ways to respond to it.

The **School Wellbeing** system is included at no extra cost in the standard *iaps ilearning* subscription.

Staff Wellbeing

The **Staff Wellbeing** system uses easy self-evaluation and intelligent analysis to generate personalised recommendations on wellbeing resources accessible through the *ilearning* app.

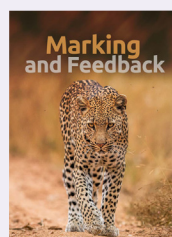

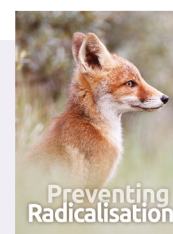

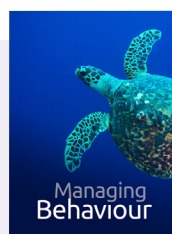

What's included?

- ✓ Easy, online self-evaluation
- ✓ Clear individual and school level reports
- ✓ Executive summary capturing the key insights of the survey
- ✓ Access to a rich library of wellbeing resources through the *ilearning* app

How it works

1. School staff complete a short and easy self-evaluation
2. **Staff Wellbeing** system generates a whole-school analysis report and summary executive report
3. School staff receive a report and personalised recommendations accessible through the *ilearning* app
4. School leadership can monitor activity, uptake and feedback through the *ilearning* dashboard.

Pupil Perceptions

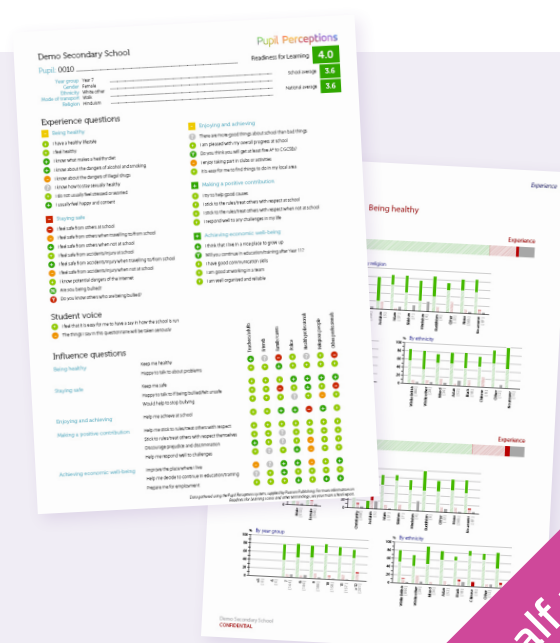

Gain an insight into pupil perceptions and wellbeing with the *Pupil Perceptions* survey.

What's included?

- ✓ An easy, online survey for primary and secondary pupils
- ✓ Clear individual and school level reports
- ✓ Executive summary capturing the key insights of the survey
- ✓ Handy survey guide with recommendations of helpful resources for parents, pupils, staff and leaders
- ✓ Unique mobile learning opportunities through the *ilearning* app resource library

Understand how pupils feel about:

- **Being healthy** Enjoying good physical and mental health, and living a healthy lifestyle.
- **Staying safe** Being protected from harm and neglect, and able to look after themselves.
- **Enjoying and achieving** Getting the most out of life and developing skills for adulthood.
- **Making a positive contribution** Playing an active part in the community and to society, and not engaging in antisocial or offending behaviour.
- **Achieving economic wellbeing** Overcoming socioeconomic disadvantages to achieve their full potential in life.

More than half a million survey completions

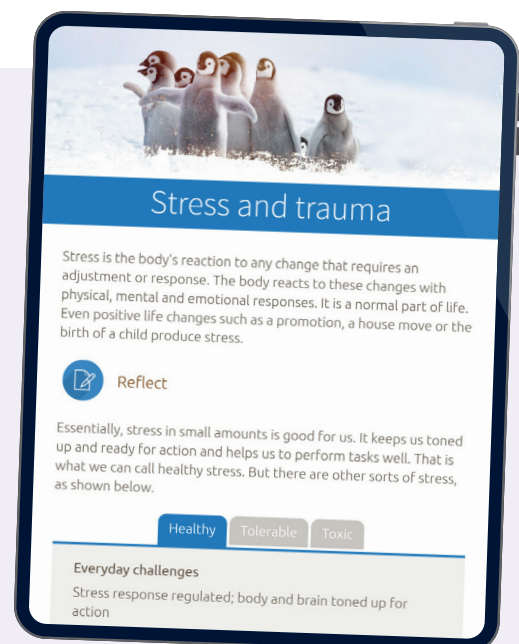

Parent Perceptions

Gain an insight into parental/carer views towards your school's culture and their child's education and wellbeing with the *Parent Perceptions* survey.

What's included?

- ✓ An easy, online evaluation for parents/carers
- ✓ Informative reports on parental/carer opinions
- ✓ Executive summary capturing the key insights of the survey
- ✓ Unique mobile learning opportunities via the digital Parent/Carer Library, available online and offline
