

IAPS ANNUAL DEPUTY HEADS & DIRECTORS OF STUDIES 2023

Thank you to our exhibitors!

Please click on the links to learn more about our exhibitors and sponsors. We are fortunate to have attracted a wide range of companies with products and services relevant to our sector and encourage delegates to take every opportunity to engage with the exhibitors; browse the resources and sample the products.

<p>Digital Academy An on-demand, interactive library of training and development courses for all staff, available through the IAPS ilearning app and web portal, IAPS Digital Academy is a fantastic CPD opportunity for everyone in the school. With 150+ school CPD courses available, staff in all roles can take an active role in their professional learning, engage in thoughtful reflection and rise to new challenges.</p>	1	
<p>Noble+Eaton A truly one-of-a-kind education interior design organisation with an integrated project delivery service: Envoplan. A comprehensive body of research into learning environments and a process-driven design thinking consultancy at Noble+Eaton ensures your learning environment transformation achieves your school's objectives.</p>	2	
<p>Ski Lodges Switzerland We have 4 lodges in Switzerland in the mountain area with 24 to 85 beds. In winter you can do ski trips and the rest of the year other school trips with mountain activities like hiking.</p>	3	
<p>Libresoft Libresoft is a family company, based in Winchester, offering software solutions to schools. Librarian is our library management system designed with input from school librarians containing all the timesaving features a school needs to manage a school library smoothly and effectively.</p>	4	
<p>TaskSpace TaskSpace works with the best independent schools in the UK to transform learning spaces into state-of-the-art facilities and deliver a genuine WOW factor. We are a design focused but pragmatic team and have experience in refurbishing staff rooms, laboratories, STEM studios, classrooms, dormitories, 6th form centres, breakout spaces, offices, canteens, and many more.</p>	5	
<p>The Outward Bound Trust Our mission is to inspire young people to believe they can achieve more than they ever thought possible. We partner with schools, colleges, employers and youth groups to teach the most important lesson they could ever learn: to believe in themselves.</p>	6	
<p>Galore Park by Hodder Education Galore Park from Hodder Education specialises in educational resources for pupils in independent schools and those preparing for the 11+, Pre-Test and 13+ Common Entrance exams. We publish a comprehensive series of KS2 textbooks and revision books for the 11+ and Pre-Tests as well as a range of CE 13+ textbooks, revision guides and exam practice books.</p>	7	
<p>Dragonfly Training Over the last 23 years, we have trained over 300,000 teachers in over 50 countries. As well as venue-based courses and bespoke insets we now offer online training, programmes, parental webinars, and a soon-to-launch subscription-based online learning platform, with topics from leadership, teaching & learning strategies to well-being.</p>	8	
<p>Capable Kids t/a Junior Duke Award In a busy world it's too easy to do things for children, but when should they begin to take responsibility for themselves? Introducing Capable Kids, founders of the Mini Duke and Junior Duke Awards – a life skills award scheme for primary-aged children to encourage and develop increased independence, confidence and resilience.</p>	9	
<p>Notts Sport We are the leading specialist in the design, advice and supply of synthetic surfacing systems for sport, play and leisure. The company has over 39 years' experience in providing artificial turf for cricket, hockey, tennis and football as well as children's play and multi-use games areas. Notts Sport has built up an impressive client portfolio, working with local authorities, schools, clubs and national and regional sports bodies.</p>	10	

<p><u>GL Assessment</u> We are the leading provider of formative assessments to schools across the UK and Ireland. Our data helps you: highlight strengths and gaps in reading and core subjects; reveal barriers to learning; identify and support children with additional educational needs; provide evidence of progress and deliver evidence of whole school improvement.</p>	11	
<p><u>Promote Your School</u> With over 20 years' experience in education, we design, print and install bespoke Wall Art for schools around the world. Our in-house team creates every design bespoke to each school's requirements, using extensive industry knowledge, expertise and experience. We can transform your learning environment, inspire learning and improve wellbeing.</p>	12	
<p><u>Trybooking.com</u> The easiest way to sell your event tickets online - from small gatherings to large festivals, our easy-to-use online event booking software has you covered. We don't charge extra for basic features such as seating plans, data collection or multiple ticket types - everything's included with no hidden fees.</p>	13	
<p><u>Gillman & Soame</u> It's an expertise that has been developed over the past two centuries. Our photographers take the same care of a class group of ten excited six-year-olds as they do of a very large group of 1,800 older and wiser children and adults. House, Sports, Complete School, Class, Music, Year groups - we do them all!</p>	14	
<p><u>iSAMS</u> We understand that every Independent School needs an MIS that makes life easier for staff, so you can deliver an outstanding education to your students. iSAMS achieves this by delivering an intuitive and easy-to-use cloud-based MIS that can be accessed from anywhere, with multiple third-party integrations to allow you to build a system that works for your school.</p>	15	
<p><u>Inner Wings</u> Inner Wings' mission is to build confidence in children aged 6 to 12, especially girls. Our focus is to bring free confidence-building programmes to primary schools across the UK. With over 100 partner schools, we support teachers to deliver our programmes, which thousands of young children are currently participating in.</p>	16	
<p><u>Community Playthings</u> Children need simple, natural environments that promote open-ended, imaginative play. Since 1947 Community Playthings has designed and manufactured solid wood furniture and play equipment, drawing on expertise from childcare professionals across the UK and internationally. Our products inspire play, support all aspects of child development and come with a 15-year warranty.</p>	17	
<p><u>WCBS</u> WCBS specialises in providing integrated management systems to independent and international schools across three core areas: admissions, MIS and finance.</p>	18	

Thank you to our sponsors!

ISAMS

for kindly supplying notebooks

We understand that every Independent School needs an MIS that makes life easier for staff, so you can deliver an outstanding education to your students. iSAMS achieves this by delivering an intuitive and easy- to-use cloud-based MIS that can be accessed from anywhere, with multiple third-party integrations to allow you to build a system that works for your school.

Capable Kids t/a Junior Duke Award

for kindly supplying water bottles

In a busy world it's too easy to do things for children, but when should they begin to take responsibility for themselves? Introducing Capable Kids, founders of the Mini Duke and Junior Duke Awards – a life skills award scheme for primary-aged children to encourage and develop increased independence, confidence and resilience.
