Prep Schools

Welcome from the Principal of Framlingham College and the Head of the Prep School

We are delighted to host the IAPS U11 Boys' Hockey Qualifying Tournament at Framlingham College.

We extend a warm welcome to all schools and supporting parents. Hockey goes from strength to strength here at the College, with a number of players currently training with the England Development squads and we are delighted to have so many players here today from so many schools, to share in our love for the game.

The tournament today is to be enjoyed, above all. We have no doubt that we will see some fantastic hockey, but as importantly, some great team spirit, mutual support and camaraderie. Sport has the magic to bring people together and we hope that today can be a celebration of exactly that.

Our thanks go to our Grounds staff for preparing the pitches and to Mr Andy Northcote, Head of Prep School PE & Games, for organising today's event. Mr Northcote, our Director of Sport, Mr Chris Gange, and our Head of Hockey, Mrs Lisa Letchford, will be available throughout the day to answer any of your queries about the tournament or about hockey at Framlingham College.

Have a wonderful day.

Welcome from IAPS Sport

First and foremost, sport is about participation and enjoyment. Sport is an incredibly important part of the personal development of children.

Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year. With 22 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in.

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope you enjoy the competition and good luck!

Code of Conduct for Spectators

We are delighted to welcome spectators to attend IAPS events. As a spectator/parent you have a responsibility to:

1. Be a positive role model and lead by example. Children are involved in sport for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules and respect the officials.
3. Always respect the officials and their decisions. Video evidence will not be accepted in any cases to dispute decisions.
4. Always respect the coaches and their decisions. They give their time, energy and experience to coach your children.
5. Refrain from any form of bad language or poor behaviour towards players, officials and fellow spectators.
6. Be friendly and respectful to the opposition.
7. Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
8. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
9. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://iaps.uk/sports/documents-links.html>

IAPS wants all competitions to run without any negative incidents. Excitement and emotions can run high at events, not least amongst the supporters. Unpleasant and inappropriate behaviour is very rarely seen but you should be aware that IAPS retains the right to ask you to leave the event if you fail to comply with the code of conduct.

Safeguarding

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE document. These are available on our website.

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy and anti-bullying policy. These are available to read and download from our website.

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Nunan, Mike Kershaw or a member of the organising team.
