iaps sport

Welcome

First and foremost, sport is about participation and enjoyment. Sport is an incredibly important part of the personal development of children.

Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year. With 22 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in.

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope you enjoy the competition and good luck.

Safeguarding

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE document (these are available on our website: sport.iaps.uk/safeguarding).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy & anti bullying policy. These are available to read and download from our website here: sport.iaps.uk/safeguarding.

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Connell, Mike Kershaw or a member of the organising team.

Code of Conduct

Where permitted, we are delighted to welcome spectators to attend IAPS events. As a spectator/parent at an IAPS sports event, you have a responsibility to:

1. Be a positive role model and lead by example. Children are involved in sports for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules and respect the officials and their decision.
- 3. Respect the officials and their decisions at all times. Video evidence from spectators will not be accepted in any cases to dispute decisions.**
Respect the coaches and their decisions, they give their time, energy and experience to coach your children.
- 4. Refrain from any form of abuse towards players, officials and fellow spectators.**
5. Be friendly and respectful to the opposition.
Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
6. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
7. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://iaps.uk/sport/safeguarding.html>
Relax and enjoy the event.

IAPS wants all competitions to run without any negative incidents. Excitement and emotions can run high at events, not least amongst the supporters. Unpleasant and inappropriate behaviour is very rarely seen but you should be aware that IAPS retains the right to ask you to leave the event if you fail to comply with the code of conduct.
