Welcome

I'm so excited to welcome you today for the IAPS Final. At Cranleigh we offer a wide range of sporting opportunity and there is no better sight than our pitches alive with football.

A huge welcome to parents and spectators - thank you so much for coming out today to support your girls.

Whilst you're here spectating, myself, the staff and participants would welcome positive encouragement throughout the tournament to both your daughter's team and the opposition, helping to keep the atmosphere as enjoyable as possible.

Welcome to visiting staff today, please do ask if you have any queries or questions. You are also welcome to help yourself to refreshments throughout the day. Please note that players' match tea will be arriving throughout the morning.

Finally, a hearty welcome to the most important people - the teams! I'm sure you've had a busy few months preparing so make sure you enjoy it. Football is a sport best played as a team and with huge smiles, best of luck for today!

Mr Chris Stone
Director of Sport, Cranleigh Prep School

Welcome from IAPS

First and foremost, sport is about participation and enjoyment. Sport is an incredibly important part of the personal development of children. Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year. With 22 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in.

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope you enjoy the competition and good luck!

Code of Conduct for Spectators

Where permitted, we are delighted to welcome spectators to attend IAPS events. As a spectator/parent you have a responsibility to:

- Be a positive role model and lead by example
- Children are involved in sport for their enjoyment and without undue spectator pressure
- Encourage children to play by the rules and respect the officials
- Always respect the officials and their decisions. Video evidence will not be accepted in any cases to dispute decisions
- Always respect the coaches and their decisions. They give their time, energy and experience to coach the children
- Refrain from any form of bad language or poor behaviour towards players, officials and fellow spectators
- Be friendly and respectful to the opposition
- Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment
- Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude
- Be aware that IAPS events have comprehensive safeguarding policies, and procedures, available on our website: <https://iaps.uk/sports/usefulinformation/documents-links.html>
- Try to relax and enjoy the event!

IAPS wants all competitions to run without any negative incidents.

Excitement and emotions can run high at events not least amongst the supporters. Unpleasant and inappropriate behaviour is very rarely seen but you should be aware that IAPS retains the right to ask you to leave the event if you fail to comply with the code of conduct.

Safeguarding

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE document. These are available on our website: <https://iaps.uk/sports/useful-information/documents-links.html>

IAPS expects all coaches present to be DBS checked and to have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy and anti-bullying policy. These are also available to read and download from our website.

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Nunan, Mike Kershaw or a member of the organising team (details at the end of this document).
