Welcome to Royal Russell School

May I extend a warm welcome to Royal Russell School to all players, coaches, parents and guests.

At Royal Russell, we aim to provide to drive an outstanding sport and physical activity experience for all; to nurture pupils' intellectual and personal development; and to foster lifelong healthy, active lifestyles which go beyond their school career. We aim to place the pupil at the heart of everything that we do.

We hope that all visitors will enjoy the day as much as we enjoy being out on the pitches and courts with our pupils.

Code of Conduct for Parents and Supporters

We ask that all our guests help us to maintain a positive environment that encourages creative and courageous performers. Sport provides many opportunities for success, and pupils' efforts and performances should be rewarded and applauded, not just the results. We encourage all supporters to be good role models. Please consider tone and language, and respect all the decisions made by officials, coaches and pupils.

WELCOME FROM IAPS

First and foremost, sport is about participation and enjoyment. It plays a vital role in children's personal development, helping them build confidence, resilience and teamwork skills. IAPS (Independent Association of Prep Schools) is proud to host over 22,000 children in 190 events across 21 sports each year as part of the IAPS Sport and Pupil Experience programme.

Your Headteacher is a member of IAPS, giving your school access not only to these extracurricular opportunities, but also to professional development, training, advice, events, services, and peer networks that support the whole school community. Your school's membership reflects the all-round quality of education that its pupils receive.

Whether this is your first IAPS event or one of many, we hope you enjoy the competition and good luck!

CODE OF CONDUCT FOR SPECTATORS

Where permitted, we are delighted to welcome spectators to attend IAPS events.

As a spectator/parent you have a responsibility to:

- Be a positive role model and lead by example. Children are involved in sport for their enjoyment and without undue spectator pressure.
- Encourage children to play by the rules and respect the officials.
- Always respect the officials and their decisions. Video evidence will not be accepted in any cases to dispute decisions.
- Always respect the coaches and their decisions. They give their time, energy and experience to coach the children.
- Refrain from any form of bad language or poor behaviour towards players, officials and fellow spectators.
- Be friendly and respectful to the opposition.
- Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
- Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
- Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website:
<https://iaps.uk/sports/useful-information/documents-links.html>
- Try to relax and enjoy the event!

IAPS wants all competitions to run without any negative incidents. Excitement and emotions can run high at events, not least amongst the supporters. Unpleasant and inappropriate behaviour is very rarely seen but you should be aware that IAPS retains the right to ask you to leave the event if you fail to comply with the code of conduct.

SAFEGUARDING

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern.

All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE document. These are available on our [website](#).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy and anti-bullying policy. These are available to read and download from our [website](#).

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Nunan, Mike Kershaw or a member of the organising team.

RULES AND REGULATIONS

Rules and regulations:

Number of players in the squad

- Minimum 7 players, maximum 10 players in a squad.

Equipment

- 10ft post
- Size 5 ball

Umpiring

- This is a school's event, and it is assumed that all umpires will officiate fairly and without bias. All teams are expected to abide by this principle.

Pool stage

The group order will be decided by the number of points scored by each team. In the event of a tie on points, the following will decide final placings:

1. Goal difference*
2. Total goals scored.
3. Result between the two teams

*Goal difference is calculated as the number of goals scored in all league matches minus the number of goals conceded.

e.g. - Team 1 – 15 goals for – 5 goals against = +10 (this team wins)
- Team 2 – 19 goal for – 10 goals against = +9

Knockout stage

- In the event of a draw in the knockout stages, the winner will be decided by:
 1. 1.5 minutes of extra time. (There will be a 2-minute interval after full time before starting the extra time)
 2. A period of "Golden Goal". The first team to score a goal wins the match. The match does not stop after the 5 minutes, but the umpires communicate loudly and clearly that the match has now moved into golden goal.
