Welcome

Welcome to Ashford School, where we are proud to be hosting the U11 girls' IAPS South-East Cricket Tournament.

Ashford School

Sport commands an important place within our school life for all children.

Ashford Prep School offers a wide range of games to suit most tastes, and these are available from an early age as part of our formal curriculum. Physical Education and Games begin in Nursery with ball skills and swimming. From there on, the Prep School children start competing against local Prep and Primary Schools.

Our ethos is Sport for All which means every child – no matter their ability – is provided the opportunity to represent the school competitively.

Competitive fixtures offer pupils the opportunity to represent their School in matches against other local schools, and help to promote excellence for county, regional or even national honours later in their lives. Furthermore, to promote a healthy rivalry between our pupils we also host spirited internal House competitions. In addition to our expert coaches on the staff, we have visits from outside coaches and international sports players to inspire and encourage all our sports teams. Our approach to sport is to be inclusive – for some children sport may not be their most obvious talent. However, the experiences of working as a team, and winning and losing graciously, are relevant for all levels of ability and enthusiasm and can give all children the skills to enable them to participate in and enjoy sport.

First Aid

Ashford School's Assistant Nurse will be available throughout the tournament. Please speak to a member of Ashford School Staff if you require assistance.

Catering

Refreshments for spectators will be available in specified areas throughout the day. Lunch will be provided for umpires and teachers from 12:00pm in the pavilion. Players should bring their own lunch ensuring it does not include any nuts or fizzy drinks. There will be a water filling station in the pavilion, and we would ask that all rubbish is placed in the bins provided.

Extra Provisions

Our school fields have little shelter from the weather. Please feel free to bring your own Gazebo to shelter under and sunhats for the children when they are not participating.

We would like to wish all schools Good luck and hope you enjoy the day
