WELCOME FROM THE HEADMASTER

I am delighted to welcome you all to the IAPS U13 Girls Regional Qualifier and hope that you have an excellent day of hockey. We are very fortunate at Eastbourne College to have superb facilities and high quality coaching that stretches back over 30 years. We are incredibly proud of our girls hockey and the history makers they have become. Eastbourne College enjoys this hockey success thanks to our highly experienced and dedicated coaching team led by Director of hockey, former GB international and Olympian, Rob Hill. Our pupils enjoy an international-sized indoor hockey pitch, for year-round training, and a fully equipped fitness suite with a dedicated strength and conditioning coach on hand. These incredible facilities enable all pupils to access hockey and benefit from the College's *healthy learning for the long term* approach. I wish you all the best of luck and hope that whatever the outcome you take away many positives from today's event.

WELCOME FROM THE DIRECTOR OF HOCKEY

Congratulations and thank you for making it to the IAPS U13 Girls Regional Qualifier. I am thrilled that there are so many enthusiastic young hockey players here today and I will be keeping an eye out for those who manage to integrate participation, competition, fairness and fun. Sport at the College is just one part of a *whole-of-learning* education and we support IAPS in its passionate pursuit of an ethos that places emphasis foremost on participation and enjoyment. Best of luck to all participants!

WELCOME FROM IAPS

IAPS passionately believes in the importance of sport as part of an all-round education for its pupils. First and foremost sport is about participation and enjoyment. It should be seen as an important part, but only a part, of the personal development of each child. IAPS hosts a wide range of sporting events each year, which are hugely popular with pupils.

The sports programme provides opportunities for children to participate in a competitive and safe environment. There are over 170 events organised annually across 22 different sports. On average, 22,000 children take part in an IAPS event.

A full list of our events is available to see on our website here: spor.t.iaps.uk.

Whether this is your first time at an IAPS event or you have been entering them for many years, we hope your school enjoys the competition. IAPS passionately believes in the importance of sport as part of an all-round education for children. First and foremost, sport is about participation and enjoyment – good luck!

SAFEGUARDING

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding policy and procedures, and the KCSiE September document.

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy & anti bullying policy.

IAPS safeguarding procedures, policies and codes of conduct are available to read and download on our website: sport.iaps.uk/safeguarding.

If you have any safeguarding concerns today, please don't hesitate to speak to a member of the organising team.

CONDUCT FOR PARENTS/SPECTATORS

Your school is a member of IAPS, the Independent Association of Prep Schools. IAPS is a school's association with 670+ member schools, both in the UK and internationally. IAPS was founded in 1893 and for over one hundred years we have been committed to supporting Headteachers in their roles as leaders of the top Prep and Independent Junior Schools in the country. Membership of IAPS says a great deal about the quality of the school you send your child to for their education.

We provide services to our members offering support and guidance to Headteachers and professional training for staff. We also provide opportunities for children to take part in sport and art competitions. We are not a private company solely engaged in running sports competitions

The annual sports programme offers a range of team and individual events for children who attend IAPS schools. The children are able to compete in a fun, safe and competitive environment. During the 2018-2019 academic year, 160 events were organised, in 23 sports, with 23,000 children participating. All organisers and qualified officials are passionate volunteers, who help us to deliver the events in line with National Governing Body rules and regulations.

Where permitted, we are delighted to welcome spectators to attend IAPS events to support the children. Our agreed code of conduct highlights IAPS's expectations of spectators, to ensure that all events are enjoyable and fair for the children involved, and we hope you would support us by reading and applying the following code.

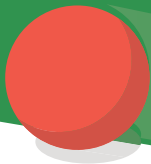

1. Be a positive role model and lead by example; children are involved in sport for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules and respect the officials.
3. Respect the officials and their decisions at all times. Video evidence from spectators will not be accepted in any cases to dispute decisions.
4. Respect the coaches and their decisions. They give their time, energy and experience to coach your children.
5. Refrain from verbal or indeed physical abuse towards players, officials and fellow spectators.
6. Be friendly and respectful to the opposition.
7. Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
8. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
9. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://sport.iaps.uk/safeguarding>
10. Relax and enjoy the event.

IAPS wants all the competitions it runs to pass without any negative incidents. Excitement and emotion can run high at the events, not least amongst the supporters. Despite this, unpleasant and inappropriate behaviour is very rarely in evidence at our events but you should be aware that IAPS retains the right to ask you to leave the event, if you fail to comply with the code of conduct. Thank you for your support in this important matter.
