## WELCOME FROM IAPS

First and foremost, sport is about participation and enjoyment. It plays a vital role in children’s personal development, helping them build confidence, resilience and teamwork skills. IAPS (Independent Association of Prep Schools) is proud to host over 22,000 children in 190 events across 21 sports each year as part of the IAPS Sport and Pupil Experience programme.

Your Headteacher is a member of IAPS, giving your school access not only to these extracurricular opportunities, but also to professional development, training, advice, events, services, and peer networks that support the whole school community. Your school’s membership reflects the all-round quality of education that its pupils receive.

Whether this is your first IAPS event or one of many, we hope you enjoy the competition and good luck!

# CODE OF CONDUCT FOR SPECTATORS

Where permitted, we are delighted to welcome spectators to attend IAPS events.

As a **spectator/parent** you have a responsibility to:

- Be a positive role model and lead by example. Children are involved in sport for their enjoyment and without undue spectator pressure.
- Encourage children to play by the rules and respect the officials.
- Always respect the officials and their decisions. Video evidence will not be accepted in any cases to dispute decisions.
- Always respect the coaches and their decisions. They give their time, energy and experience to coach the children.
- Refrain from any form of bad language or poor behaviour towards players, officials and fellow spectators.
- Be friendly and respectful to the opposition.
- Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
- Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.

# SAFEGUARDING

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE document (these are available on our website: [sport.iaps.uk/safeguarding](http://sport.iaps.uk/safeguarding)).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy and anti bullying policy. These are available to read and download from our website here: [sport.iaps.uk/safeguarding](http://sport.iaps.uk/safeguarding).

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Nunan, Mike Kershaw or a member of the organising team.
