## P30 Computing: assistive technology, STEM, online safety and digital well-being

**Date** Monday 6 June 2022  
**Venue** Online via Zoom  
**Cost** £125 (non IAPS members – additional £50)

This course seeks to explore ideas from different areas of technology in education: sharing Computing and STEM resources across the age range; assistive technology to enable all students; online safety and well-being. We are delighted that Carol Allen will be joining us to showcase the use of technology to remove barriers to learning through assistive technology. Parent Zone shall be sharing a selection of resources and initiatives to support our students' online safety and digital well-being, and Liz Gallow of Whymaker will demonstrate a range of STEM resources to engage students of all ages, seeking to share cross curriculum opportunities.

**Audience** Computing teachers (EYFS, KS1-3), SENCO, safeguarding leads, STEM teachers, deputy heads

**Objectives** Our computing event seeks to explore ideas from different areas of technology in education: sharing Computing and STEM resources across the age range; assistive technology to enable all students; online safety and well-being.

**Course director** Dave Presky, IAPS computing subject adviser

**Course presenters** Dave Presky, Head of computing at York House School; Carol Allen, Educational Adviser; Liz Gallo, Whymaker; The Parent Zone.

**We will do all we can to ensure our courses go ahead as planned. Occasionally, for reasons outside our control and particularly in the uncertain times we find ourselves in, courses may be cancelled, or courses that were due to take place in person may have to take place online. While a refund of the course fee will be given where courses are cancelled by us, we will not be able to take responsibility for any expenses incurred by you in advance, such as travel or accommodation costs which are no longer required due to the cancellation of a course or it being changed to a remote format. We do hope you will understand.**
