Entering the Competition

Booking onto an event

- All bookings are made online via the [IAPS website](#).
- Only a member of school staff with a school email address can book onto an event.
- If your chosen location is fully booked, please join the waiting list. Should a space become available, we will contact you to offer you the space. There is no guarantee we can find schools an event to attend.

Eligibility

- All competitors must attend an IAPS School.
- Competitors ages is taken from 1st September.
- Only competitors who are part of the Prep School are eligible to take part. Competitors in Year 7 and Year 8 who are part of the Senior School are not eligible to take part in U12 and U13 events.
- Only competitors who are part of the Prep School are eligible to take part.
- Pupils **can only participate in one age group** throughout the competition. The competition is defined as both qualifying events and the finals.
- All schools must bring first aid and additional first aid might be provided.

Terms & conditions

- Please make sure to read our [booking terms and conditions](#) before booking onto an event.

IAPS Small Schools Netball Championships

- The national governing body (NGB) for netball in England is England Netball.
- The U12 and U13 netball championships are conducted under the International Netball Federation rules and regulations, including their ruling on gender splits within tournaments. Netball is played in accordance with EN and/or INF rules and regulations is to be single sex. Please read the rules and regulations in full before entering the event.
- U11 netball championships are conducted under England Netball Stage 3 (Stinger) of Bee Netball.

Equipment

U11 → 9ft post, size 4 ball

U13 → 10ft post, size 5 ball

Championship format

- This tournament is a stand-alone championships.
- As of 2023 the winners of the small schools **are not** invited to the IAPS finals. Schools will need to enter a netball qualifier to be eligible to qualify for the finals.
- Schools must have less than 30 girls in years 5 & 6 combined (U11) or years 7 & 8 combined (U13).
- IAPS will create the draw and share it with the organiser.
- The programme and event day information will be sent to schools approximately two weeks before the event.
- Schools must provide a **competent** and confident **umpire**, unless otherwise advised.
- We expect all umpires to read the umpiring expectations document before attending an IAPS competition.

IAPS Small Schools Netball Championships

Hosts

U11 - TBC

U13 – TBC

Medals and certificates

- 1st - 3rd place in the cup and plate competition will receive a medal.
- 1st – 3rd place in the bowl competition will receive a badge.
- A certificate is available for schools to download and issue to competitors here.

Duration of matches

- Length of the play is determined by IAPS. It varies between each tournament to make sure competitors do not exceed the maximum playing time.

Scoring

- **5** points for a **win**
- **3** points for a **draw**
- **1** point for scoring **50% or more** of the winning team's score.

Pool stage

- The group order will be decided by the number of points scored by each team. In the event of a tie on points, the following will decide final placings:
 1. Goal difference*
 2. Total goals scored.
 3. Result between the two teams

*Goal difference is calculated as the number of goals scored in all eaue matches minus the number of goals conceded.

e.g.

Team 1 – 15 goals for – 5 goals against = +10 (this team wins)

Team 2 – 19 goal for – 10 goals against = +9

IAPS Small Schools Netball Championships

Knockout stage

- In the event of a draw in the knockout stages, the winner will be decided by:
 1. 5 minutes of extra time.

There will be a 2-minute interval after full time before starting the extra time.
 2. A period of “Golden Goal”. The first team to score a goal wins the match.

The match does not stop after the 5 minutes, but the umpires communicate loudly and clearly that the match has now moved into golden goal.

Fairness

- It will be impossible for IAPS, or the organisers, to police each tournament to ensure that schools are making the rotations that they have declared.
- We trust that by entering the tournament, schools are doing so in the spirit of the game.
- If IAPS becomes aware of a school that is not rotating fairly, they may risk their place in the knockout stages and at future tournaments.

Injury and accidents

- Play may be stopped if the Umpire deems it necessary due to the injury or illness of a competitor.
- Great care should be taken in moving an injured competitor or ill competitor from the court.
- Should the Primary Care Person/Umpire feel that an injury is critical (e.g, head, neck, or back) and that the injured competitor should not be moved without assistance from Medical Staff, the umpires and schools should note the time lost during treatment and report it to the competition organiser who will adjudicate.

IAPS Small Schools Netball Championships

U11 competition rule variances

Rotations

- Click [here](#) for England Netball's rotation sheets for your use.
- You will be asked to bring a copy of your rotations on the day.
- If you forget to bring a copy, you will be asked to complete one before matches start. Teams must rotate before each match and at half time.
- Schools must continue to work through the rotations throughout the whole tournament. You must not restart rotations for the knockout matches.

Umpiring adaptations

- Guidance on how to umpire Bee Netball is available in the rule adaptations [here](#).

Substitutions due to injury

- When a player is injured during a match or a blood substitution is required, the player should, where possible, be replaced by the player off court who is due to come on in that position in the next rotation.
- The players should remain in that position until the next rotation. This could be half time if the injury occurred in the first half of a match. At that time a decision is made as to whether the injured player is able to return to the tournament. If they are deemed fit to return, all players should return to their original place in the rotation. If they are not able to return, then the players will remain in their new rotation positions for the remainder of the tournament.
- If the player is evidently going to be fit to return to play but the injury will take longer than the rest of that game to sort, they can be rotated back in as soon as it is reasonable to do so.

IAPS Small Schools Netball Championships

- The injured player must take part in most of the pool matches to progress through to playing the knockout matches. If the player has sat out for most the qualifying matches, they cannot return to play in the knockout matches.

Ball hitting the post

- If the ball hits the post and comes back on to the court, it comes back into play. Play on.
