PRE-PREP AND EARLY YEARS CONFERENCE 2023 - EXHIBITORS

Language Angels provides a complete suite of primary foreign language teaching resources for nursery through to year 6. Everything is provided including interactive teaching materials with all the foreign language pre-recorded using a native speaker to interactive games and amazing karaoke videos. Plus, no additional teacher workload or stress!

Schofield & Sims is a leading publisher of books for schools, parents and tutors. Written by experienced teachers, its resources provide children in early years and primary settings with the fundamental knowledge and skills needed for both education and later in life.

Collins publishes a range of resources for primary and secondary schools. Talk to us about Big Cat books and resources for Little Wandle Letters and Sounds Revised, a leading early reading programme. We can also help with resources for maths, science, handwriting, PSHE, humanities, music and more!

With over 20 years' experience in education, we design, print and install bespoke Wall Art for schools around the world. Our in-house team creates every design bespoke to each school's requirements, using extensive industry knowledge, expertise and experience. We can transform your learning environment, inspire learning and improve wellbeing.

We produce bespoke Early years buildings, specific to your requirements. Offering the perfect environment, providing a bright, eco-friendly space, a contemporary solution that is commercially attractive and quick to install. Our highly insulated, beautifully designed modular classrooms combine innovative design with up to the minute technology for that ultimate learning space.

Natural Playscapes are a bespoke natural playground provider designing and manufacturing equipment in our traditional workshop in East Sussex. We combine an adventurous style with our unique spark of creativity to create innovative, interactive and beautiful designs and inspirational learning environments.

Times Ed Ltd is a family run business with some 30 years' experience in advertising, marketing and the production of high quality, high impact printed products with added experience of Private School Education we have a good understanding of the sector and the value that Times Ed can bring.

At Early Excellence we support schools who are rethinking and developing their approaches to teaching and learning in KS1 & Early Years. We provide expert consultancy and training alongside specialist resources to enrich the learning environment.

Rahmqvist provide robust and sustainable resources for the office, classroom and learning environment.

Classlist is the UK's largest school parent community app, used by 450,000 parents. A safer alternative to WhatsApp, it connects parents in an inclusive, secure and respectful way. School parent associations use it to communicate; organise and ticket events; roster volunteers; run raffles; manage fundraising and facilitate lift shares.

5-a-day Fitness: the ultimate fun fitness resource for primary schools. Increase in-classroom activity with 5-minute exercise and 2-minute chill-out routines designed for projection onto classroom screens. Also included is the 5-a-day Pentathlon, an online multi-skills fitness competition. There's no teacher preparation. Simply join in, have fun, get fit and learn!

Crown House are an award-winning independent publisher offering teachers of all subjects and phases an extensive range of innovative classroom resources and materials for CPD. With a strong focus on improving teaching and learning, our authors make a genuine difference in schools across the UK and further afield.

Children need simple, natural environments that promote open-ended, imaginative play. Since 1947 Community Playthings, has designed and manufactured wooden furniture and play equipment, drawing on expertise from childcare professionals across the UK and internationally. Made in our workshops in the UK, the solid wood construction and robust joinery make for products that last decades. Our furniture is mobile, modular and adaptable, enabling you to change and configure your environments to suit the needs of each child and staff member.
