IAPS Digital Academy benefits

Save time, meet statutory requirements, and upskill your staff - trusted by over **100** IAPS schools.

A powerful addition to your staff CPD programme, designed to build knowledge and embed best practices:

- **Comprehensive compliance training:** includes up-to-date statutory courses on safeguarding, child protection, safer recruitment, Prevent duty, and fire safety.
- **Tailored learning journeys:** from TAs to middle leaders, our ready-made learning pathways guide and motivate your staff, certificated by the University of Buckingham.
- **Extensive and engaging course library:** access 150+ interactive courses designed to motivate and inform.
- **Expert-led content:** developed and written by education experts.
- **Digital badges and certificates:** evidence staff learning and achievements while building their professional profiles.
- **Easy management:** effortlessly set up and track staff training, assign completion deadlines, monitor progress, and provide clear evidence for inspection.
- **Flexible training for busy staff:** fast, consistent, and accessible anytime, anywhere - ideal for staff balancing training with demanding schedules.

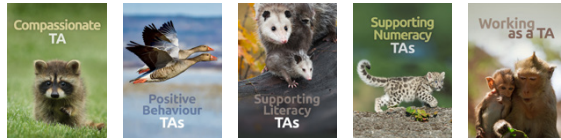

Ready-made pathways

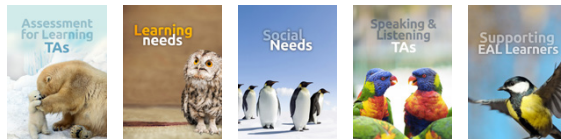

Our team of experts has crafted sixteen learning journeys covering everything from TA skills and classroom management to SEND guidance, as well as first steps in leadership.

Child Protection
Covering your responsibilities, signs of abuse and what to do if you have a concern about a child.

Effective DSL
Helping the Designated Safeguarding Lead to develop crucial skills for their role.

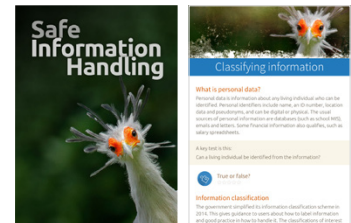

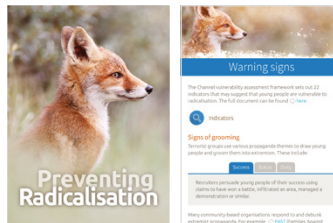

Equality and Diversity
Aimed at increasing awareness of equality and diversity issues in schools, this title helps staff identify and deal with discrimination.

Fire Safety
Written by experts TP Fire & Security, this course is a crucial introduction to fire safety for all school staff.

GDPR Toolkit
Outlining the key changes resulting from GDPR and the actions you need to meet GDPR standards.

Health and Safety
An introduction to health and safety to help you understand what you can do in your role to stay safe and protect others.

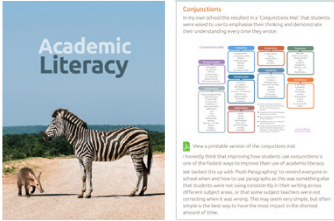

Online Safety
Introducing the principles of online safety, covering statutory requirements, online risks and how to support pupils and staff.

Preventing Radicalisation
Basic training on the Prevent duty: responsibilities, types of extremism, current concerns and practical safeguarding strategies.

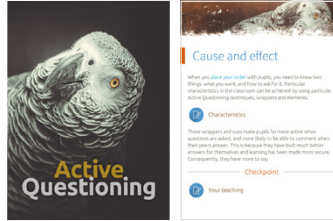

Safe Information Handling
A guide to protecting information, the GDPR, storing data and how to keep technology safe and secure.

Whistleblowing
Looking at what whistleblowing is, when to blow the whistle, reporting a concern and the safeguards in place to protect whistleblowers.

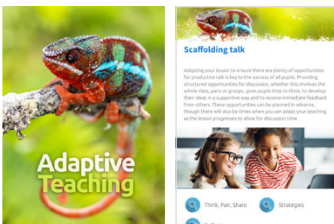

▲ Academic Literacy
Outlining how teachers can help students to use academic language to communicate more effectively in exams and the workplace.

▲ Active Questioning
A practical method of getting more from the questions you ask during lessons.

▲ Active Reading
Outlining strategies that help pupils to interact with texts in lessons in a way that supports thinking skills and reading comprehension.

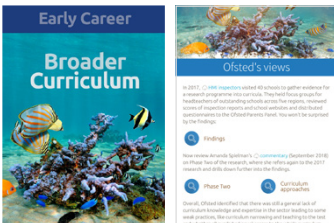

▲ Adaptive Teaching
Ideas and strategies to help teachers adapt their teaching to support all learners in the classroom.

▲ Assessment for Learning
An introduction to Assessment for Learning (AfL) with practical strategies to implement in the classroom.

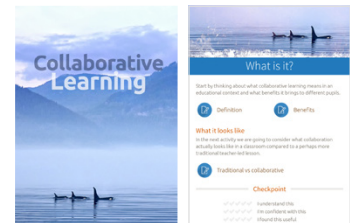

▲ Assessment for Learning: TAs
Helping TAs to develop AfL with pupils using questioning and feedback.

▲ Broader Curriculum: Early Career
Helping NQTs and early career teachers to deliver a broad curriculum in primary schools.

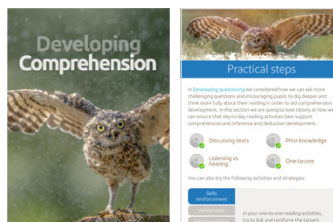

▲ Cognitive Load
Outlines cognitive load theory and its implications for classroom practice and lesson planning.

▲ Collaborative Learning
Helping teachers promote a collaborative learning environment where pupils support each other.

▲ Computer Science at KS3
A course covering the basics of teaching computer science, with advice on software, the PRIMM approach and link learning.

▲ Developing Comprehension
Key guidance on how to support children's early comprehension skills by improving inference and deduction.

▲ Developing Stronger Writing
Helping teachers develop pupils' composition skills, especially at KS2.

Effective Lesson Planning
Helping teachers to plan and design effective lessons.

Embrace Challenge
A short course helping teachers to stretch their pupils to encourage effective learning.

Engagement
Exploring ways to make the classroom engaging, drawing on prior knowledge, scaffolding and modelling.

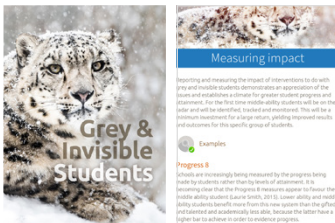

First Year of Teaching
Helping early career teachers manage the challenges of the first year of teaching, maintain a good work-life balance and set themselves up for success.

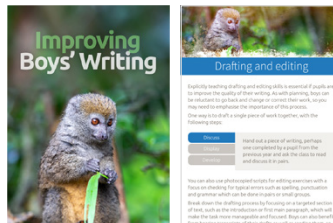

Gender Equal Classroom
Increase your awareness of different perspectives on gender, inequalities and differences in achievement.

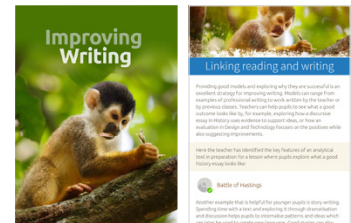

Grammar for Writing
Introduces the principles and practice of teaching grammar in context.

Grey & Invisible Students
A resource to help identify, monitor and improve the progress of middle ability students.

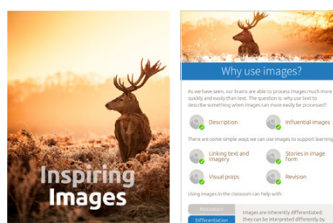

Improving Boys' Writing
Helping teachers to support boys in developing their literacy skills.

Improving Writing
Ideas for improving writing across the curriculum including talk for learning, links with reading and tips for modelling and using writing frames.

Independent Learning
Helping teachers promote and support independent learning in the classroom.

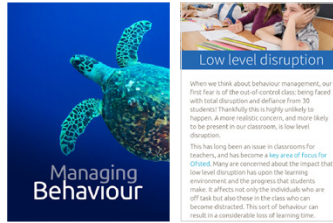

Inspiring Images
A course examining the benefits of using images in the classroom to enhance learning and improve engagement.

International TA
Offers advice to TAs working in international schools, from celebrating cultural diversity to developing interpersonal skills and building positive relationships.

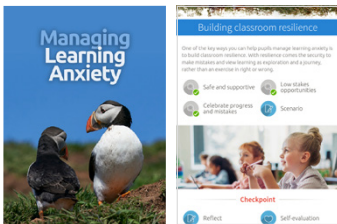

Lesson Design
Helping teachers to prepare lessons which move learning forward in an engaging way.

Managing Behaviour
A detailed guide to life in the classroom and how to manage challenging situations.

Managing Cover Lessons
A course designed to help cover supervisors create a productive learning environment, ensuring better outcomes for pupils.

Managing Learning Anxiety
This course suggests steps to help with children's wellbeing and how to address barriers to learning and develop resilience as part of your day-to-day practice.

Managing Time
Helps with the development of strategies to spend time more productively and effectively.

Marking and Feedback
Outlining the features of effective marking and feedback, focusing on how to make it productive and manageable.

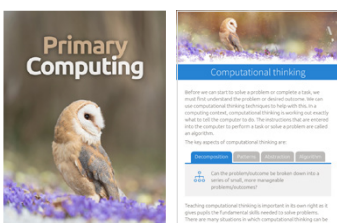

Misconceptions in Science
How to challenge science misconceptions in the classroom to enhance student learning.

Positive Behaviour: TAs
Helping TAs to improve their behaviour management skills in the classroom.

Positive Classroom
Practical ideas to help teachers create a welcoming environment in which pupils can thrive.

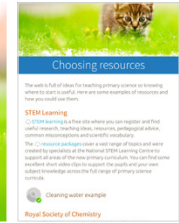

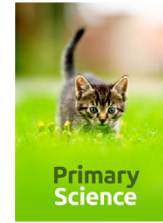

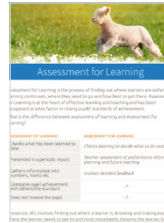

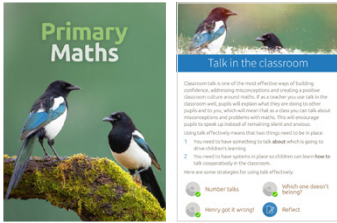

Primary Computing
This short course explores the key principles of teaching computing and its cross-curricular benefits.

Primary Geography
Helping teachers to plan and teach geography lessons and assess pupils' understanding.

Primary History
Supporting primary teachers with teaching, planning and assessment in history.

Primary Maths

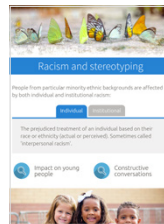

A guide to teaching primary maths and developing pupils' mathematical thinking.

Primary PE

Helping teachers to understand the wider benefits of high quality PE, with advice on planning and assessment.

Primary Science

Supporting primary teachers with teaching, planning and assessment in science.

Promoting Inclusion

Strategies to reduce exclusions and improve the behaviour and attainment of children with complex needs or SEMH problems.

Racially Equal Classroom

Increase your awareness of different ideas about race and racism, inequality in education and how to create a more inclusive environment.

Reading and Phonics

Helping teachers to support children learning to read, focusing on the key principles of reading, writing and spelling.

Reading into Writing

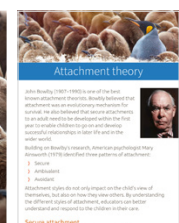

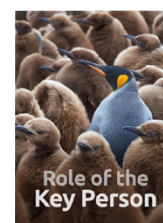

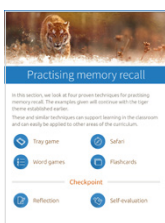

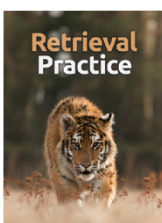

Helping KS2 and English teachers bring reading and writing together.

Reflective Practice

Outlines ways to encourage pupils to reflect on their learning and ways for teachers to reflect on their own work.

Resilient Learners

Exploring how teachers can encourage pupils to be more resilient and develop a positive and flexible outlook.

Retrieval Practice

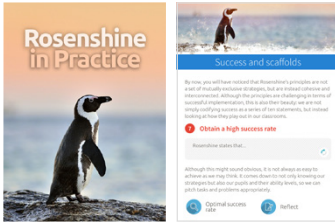

Explains the methods of recall and the importance of practising it in the classroom to ensure independent learning.

Rich Texts

Helping KS2 and English teachers strengthen their text selections.

Role of the Key Person (EYFS)

Helping the key person to understand and effectively carry out their role.

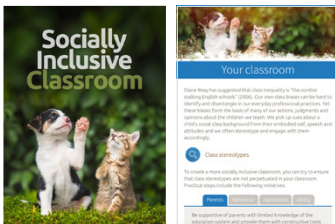

▲ Rosenshine in Practice
How to apply Rosenshine's principles to your teaching.

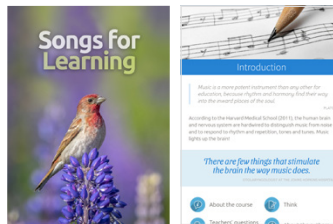

▲ Science Enquiry
Outlining ways to develop students' scientific mindset, evaluative skills, ability to explain and creativity.

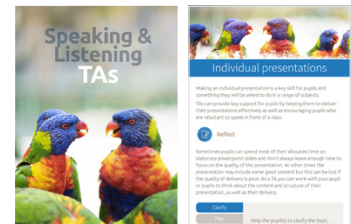

▲ Science Practicals
Explores the benefits of practical work and suggests ways of using practicals to help students put learning into context and prepare for assessments.

▲ Socially Inclusive Classroom
Increasing school staff's awareness of social class, inequality in the classroom and how to create a more inclusive environment.

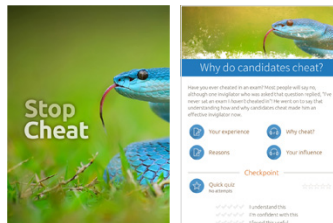

▲ Songs for Learning
Featuring 32 original tracks and lyrics, this resource helps teachers engage and inform pupils using music and song.

▲ Speaking and Listening: TAs
Helping TAs to support speaking and listening activities in the classroom.

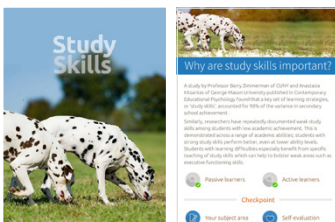

▲ Starting Invigilation
Helping invigilators understand their responsibilities, carry out exam regulations and effectively manage exams.

▲ Stop Cheat
Designed to help invigilators spot, deal with and prevent cheating in the exam room.

▲ Storytelling
Providing tips, ideas and practical strategies to help teachers enhance the learning process through storytelling.

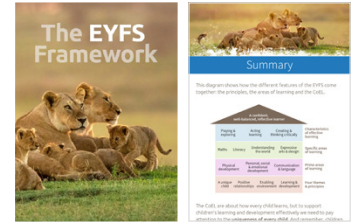

▲ Study Skills
Guidance on helping students to develop vital study skills and become active learners.

▲ Supporting EAL Learners
Outlining the challenges EAL learners face at school and what teachers, carers and other students can do to help them succeed.

▲ Supporting HPA Students
Ways to support students with high prior attainment, covering theories of ability and creating an effective learning environment.

Technology for Teaching
How to use ICT to support teaching and learning, both inside and outside the classroom.

Teaching Shakespeare
Supports English teachers in developing a repertoire of teaching strategies to apply to any of Shakespeare's plays.

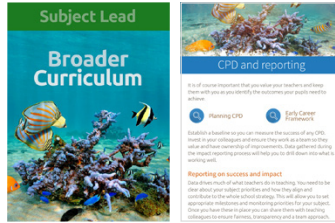

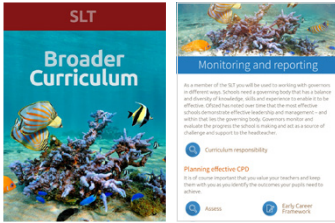

The EYFS Framework
A course introducing the Early Years Foundation Stage Framework.

Working as a TA
Helping TAs to understand their role, responsibilities and key relationships.

Working With TAs
A guide to working with and making the best use of teaching assistants.

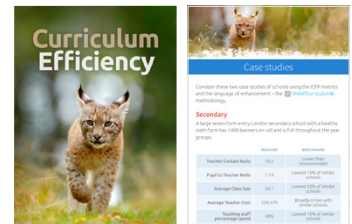

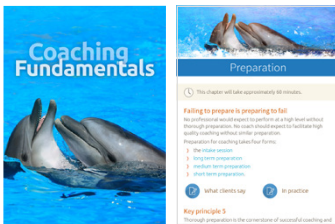

▲ Broader Curriculum: SLT
 Helping senior leaders to deliver a broad and balanced curriculum in primary schools.

▲ Broader Curriculum: Subject Lead
 Helping subject leaders/heads of department to deliver a broad curriculum in primary schools.

▲ Career-Related Learning
 How to implement career-related learning that raises aspirations for all primary-school children.

▲ Coaching Fundamentals
 An introduction to great coaching: the skills, models and tools you will need to move others towards their goals.

▲ Community Engagement
 Advice to help schools engage with the community, promote inclusion, improve outcomes and contribute to school development.

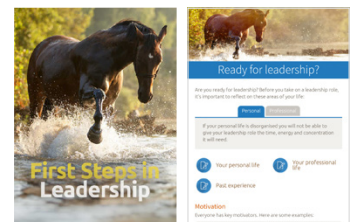

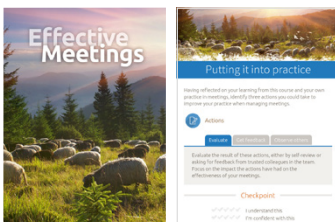

▲ Curriculum Efficiency
 Looks at benchmarked efficiency metrics and their impact on curriculum provision, concentrating on the ICFP methodology.

▲ Developing an ICT Strategy
 Helping schools to formulate a successful, sustainable ICT strategy.

▲ Digital Strategy
 Helping senior leaders understand and develop effective digital strategies for communication in today's media environment.

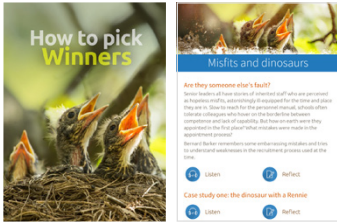

▲ Effective Communication
 Outlining the key components of effective communication, and the skills needed to allow you to communicate well with your team.

▲ Effective Meetings
 Discover what effective meetings look like, and develop the skills and strategies needed to make them work.

▲ English Leads
 Helping English and literacy leaders to improve writing across the whole school.

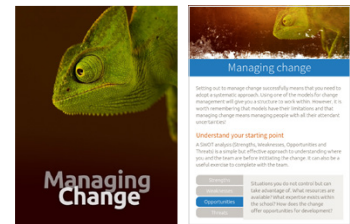

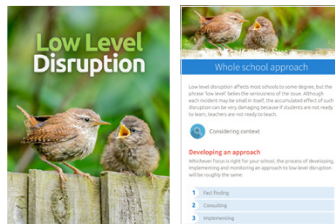

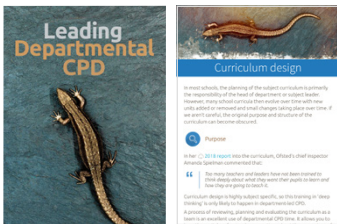

▲ First Steps in Leadership
 Helps aspiring leaders advance their career by managing a school improvement project and evaluating their leadership skills.

How to Pick Winners
How leaders can improve recruitment processes and practice to reduce the risk of poor appointments.

Intervention in English
Helping teachers to design an effective intervention strategy.

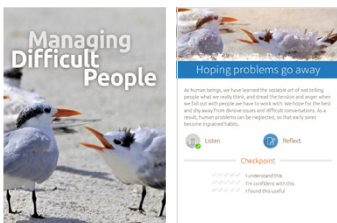

Leadership Styles and Climate
An opportunity for school leaders to assess leadership styles and their impact on performance and motivation.

Leading Departmental CPD
Providing CPD leaders and others with ideas for CPD activities to develop subject knowledge and reduce workload.

Low Level Disruption
Outlines how to develop and maintain a whole school approach to low level disruption such as the Ready to Learn behaviour system.

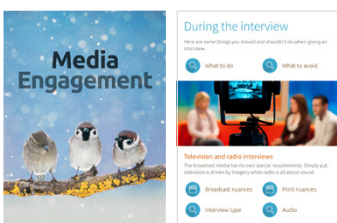

Managing Change
Covering why schools change, different approaches to change management and how to deal with resistance to change.

Managing Difficult People
Helping you develop better strategies for dealing with obstacles and barriers that too often derail change and improvement.

Managing Wellbeing
A course for school leaders on the main issues and current thinking around wellbeing, with ideas for supporting and developing staff wellbeing.

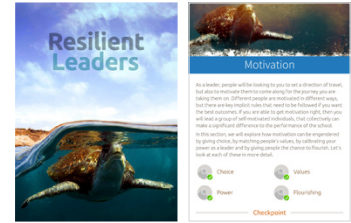

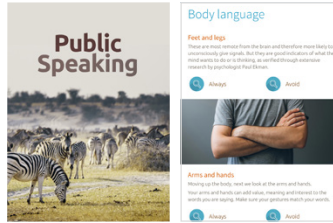

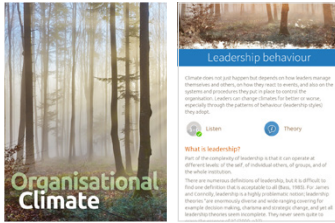

Managing Your Time
A short course to support you in understanding how you use time, become more efficient and delegate effectively.

Media Engagement
Supporting school leaders in engaging with wider audiences within today's media environment.

Mentoring Trainee Teachers
Helping mentors of trainee teachers use theories of mentoring and practical strategies to support progress and confidence.

Middle Leaders
Helping you develop a better understanding of the ways in which middle leaders manage and motivate their colleagues.

Organisational Climate

This course aims to help you understand how leaders impact on their organisation and create a positive climate for school improvement.

Public Speaking

Preparing school leaders for planning and delivering effective communication in all areas of school life.

Resilient Leaders

A guide to staying resilient; looking at confidence, perception of leadership, motivation and maintaining connections with others.

Successful CPD

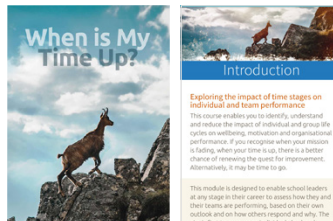

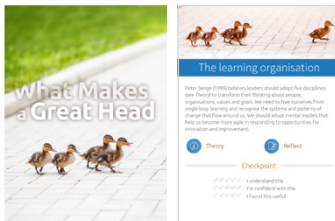

A short guide to leading and managing change with the CPD Library.

Supporting HE Applicants

Outlining the university application process: raising aspirations, writing references and supporting CLA and Oxbridge students.

Team Leaders

Helping team leaders improve leadership skills, full of activities to help your team develop, achieve its goals and boost morale.

What Makes a Great Head

Encouraging heads to reflect on the motivation, characteristics and values they have brought to school leadership.

When is My Time Up?

Exploring the concept of individual and team life cycles and how to minimise their impact on schools, staff and personal wellbeing.

Whole School Intervention

Helping senior staff to action plan a whole school approach to intervention.

Attachment

Introduction

Attachment is a theory about how we form relationships. It's about how we connect with others and how that affects our mental health. This book explores the history of attachment theory and its role in relationships and professional practice, with practical advice.

About the editors

Beat Bullying

Implementing change

Below are some practical anti-bullying strategies that your school can adopt to reduce or prevent bullying.

- 1. Relationships
- 2. Personal support
- 3. Leadership
- 4. Communication

School councils

This might be to establish a schoolwide anti-bullying strategy, or to set up a school council. The establishment of a school council is a key step in creating a positive school culture. It is a responsibility of the school to ensure that the council is representative of all pupils and staff, and that it has the support of the school's leadership. Below is a list of suggested steps to set up a school council.

Compassionate TA

Conclusion

The role of a TA is an important one that requires a caring approach. This book has explored the history of attachment theory and its role in relationships and professional practice, with practical advice.

Outcomes

Having completed the course, you will have more about to manage and deal with the demands of working with pupils who have attachment difficulties and how to support them to develop positive relationships.

Further reading

© IAPs Education Resource Foundation

▲ **Attachment**
Covering the history of attachment theory and its role in relationships and professional practice, with practical advice.

▲ **Beat Bullying**
Helping staff understand bullying, plus practical anti-bullying strategies and resources to use with pupils to discuss bullying.

▲ **Compassionate TA**
Focuses on the interpersonal skills the TA needs to fulfil their role and work effectively with pupils, teachers and leaders.

Considerate Form Tutor

Considerate to yourself

This section looks at the importance of being considerate to yourself. It's about taking care of your own mental health and well-being so that you can be the best form tutor you can be.

Checklist

- 1. Be kind to yourself
- 2. Be realistic
- 3. Be balanced
- 4. Reflect
- 5. Self-evaluation

Family Issues

Siblings

Our relationships with our siblings and others are a really some of the most lasting relationships we have in our lives. Siblings share a history and an identity as members of the same family, but they also have their own lives and experiences. This book explores the history of family issues, including divorce, bereavement, domestic violence and sibling relationships.

Checklist

- 1. Sibling relationships
- 2. Possible issues
- 3. Your experience

Learning Needs

Communication needs

Being able to communicate effectively is a key skill for all pupils. This book explores the history of learning needs, including Gifted & Talented, learning difficulties, and behavioural and communication needs.

Checklist

- 1. Difficulties
- 2. Other conditions
- 3. AAC
- 4. Your experience

▲ **Considerate Form Tutor**
Helping form tutors to meet their challenging responsibilities and improve the dynamics of their classroom.

▲ **Family Issues**
An introduction to family issues, including divorce, bereavement, domestic violence and sibling relationships.

▲ **Learning Needs**
Covering learning needs such as Gifted & Talented, learning difficulties, and behavioural and communication needs.

LGBTQ+ Inclusive Classroom

History and law

When the governments of some of the world's most powerful nations were young, homosexuality was illegal. The laws were gradually changed and eventually repealed. This book explores the history of LGBTQ+ rights and the current legal situation in the UK.

Sexual Offences Act 2003

The Sexual Offences Act 2003 replaced the previous laws on sexual offences. It introduced new offences and changed the age of consent to 16 for both men and women.

Class 28

Outlines teachers' responsibilities for promoting inclusivity in the classroom.

Medical Conditions

Conditions A-Z

- 1. Allergies
- 2. Autism
- 3. Attention deficit hyperactivity disorder (ADHD)
- 4. Conduct disorder
- 5. Cerebral palsy
- 6. Coeliac disease
- 7. Crohn's disease
- 8. Cystic fibrosis
- 9. Deafness
- 10. Diabetes
- 11. Dyslexia
- 12. Epilepsy
- 13. Fractures
- 14. HIV and AIDS
- 15. Meningitis

Mental Health

Post-traumatic stress disorder

Post-traumatic stress disorder (PTSD) is a mental health condition that can develop after a person has experienced or witnessed a traumatic event. This book explores the history of PTSD and the current understanding of the condition.

Checklist

- 1. Effects
- 2. Affected children

▲ **LGBTQ+ Inclusive Classroom**
Exploring history, language and practical issues, this course helps teachers increase their knowledge and promote an LGBTQ+ positive environment.

▲ **Medical Conditions**
Discussing the general issues surrounding long-term conditions and disability, plus information on many specific conditions.

▲ **Mental Health**
A guide to common mental health issues and how they affect pupils.

Partnerships with Parents (EYFS)

Increasing engagement

Engagement is a key factor in the success of early years provision. This book explores the history of partnerships with parents and the current best practice for increasing engagement.

Checklist

- 1. Share and play
- 2. Parent networks
- 3. School/Book Day

Social Needs

Abuse

Abuse is a term used to describe any form of mistreatment or harm. This book explores the history of social needs and the current understanding of the concept.

Checklist

- 1. Types
- 2. Identifying abuse
- 3. Support strategies
- 4. Helpline

Supporting Adopted Children

Eligibility for funding

Adopted children may be eligible for additional funding. This book explores the history of funding for adopted children and the current eligibility criteria.

Checklist

- 1. What is the funding for?

▲ **Partnerships with Parents (EYFS)**
Helping early years staff to build and maintain effective partnerships with parents.

▲ **Social Needs**
Covering a range of social and wellbeing issues, including staying safe, friendships, relationships and resilience.

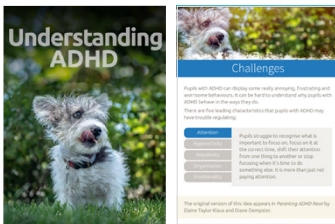

▲ **Supporting Adopted Children**
Exploring how schools can support children who have been in local authority care, with guidance on admissions, funding and mental health.

▲ **Supporting SLCN: Early Years**
How to support early years children with SLCN by deploying strategies such as appropriate interaction, modelling and vocabulary development.

▲ **Supporting SLCN: Primary**
How to support primary pupils with SLCN by deploying strategies such as sequencing, modelling and multi-sensory approaches.

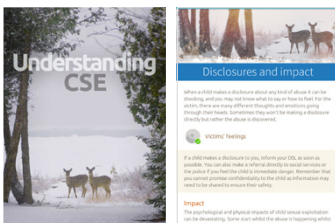

▲ **Trauma and ACEs**
An introduction to the effects of trauma and adverse childhood experiences, with ideas for supporting young people and increasing their resilience.

▲ **Understanding ADHD**
This short course introduces teachers to ADHD and the challenges faced by pupils with ADHD.

▲ **Understanding Autism**
A course intended to help deepen understanding of autism, leading to acceptance and inclusion.

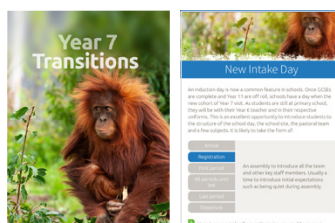

▲ **Understanding the Child**
Detailed information on the medical, social, cultural and developmental needs that children may have.

▲ **Understanding CSE**
Promotes understanding and awareness of what child sexual exploitation is, how to spot it and how to deal with concerns.

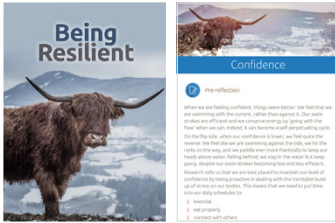

▲ **Understanding Dyslexia**
Helping school practitioners, parents and carers understand dyslexia and develop a dyslexia-friendly atmosphere.

▲ **Understanding Street Gangs**
Helping school staff and adults working with children understand gang culture and support young people at risk.

▲ **Working with Parents**
Exploring how teachers can build relationships with parents/carers and encourage them to get involved in their child's education.

▲ **Year 7 Transitions**
Helping teachers and form tutors support their students through the primary-secondary transition process.

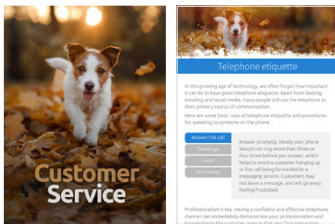

Being Resilient
Guidance to help rejuvenate staff and build resilience through focusing on achievable changes.

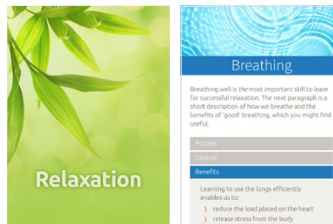

Communication at Work
Ten key topics to help you improve your communication with others.

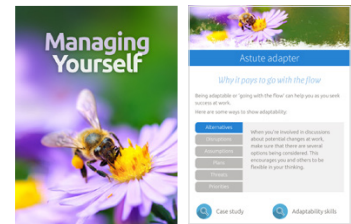

CPD Explained
Helping staff to make the most of their training opportunities and embed professional learning into everyday teaching practice.

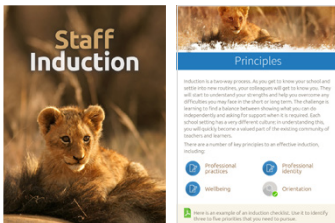

Customer Service
Learn how to apply customer service skills with confidence in an education context.

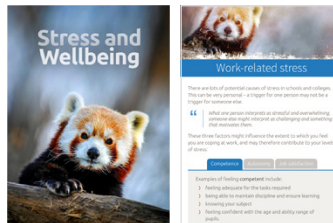

Relaxation
Features everyday exercises, visualisation tools breathing techniques and to help you relax and feel more in control.

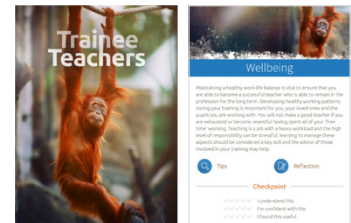

Managing Yourself
Ten key topics to help you improve your self-management.

Staff Induction
Ensuring staff members have as smooth a start as possible to their new post at school.

Stress and Wellbeing
A short course promoting greater staff wellbeing through identifying and managing causes of stress.

Trainee Teachers
A short course designed to help you understand and prepare for the challenges of your training year.

Working with Others
Ten key topics to help you build strong relationships in the workplace.
