Welcome from IAPS

First and foremost, sport is about participation and enjoyment. Sport is an incredibly important part of the personal development of children. Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year. With 22 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in.

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope you enjoy the competition and good luck.

Welcome

As Director of Sport it is my great pleasure to welcome you to the inaugural U13 Girls' Cricket IAPS tournament here at Cheltenham College. It is a major event in the sporting calendar and it encompasses all the fantastic attributes that sport has to offer. To host this event for the first time is extremely exciting, and with the girls game growing so significantly, we are looking forward to seeing all the players in action.

Our mission here at College is to promote a lifetime investment in sport and exercise, the thrill of being involved in a team dynamic and the satisfaction one gains from competition. It all adds such valuable experience which can, in turn, be applied to so many aspects of our lives. With this in mind, at Cheltenham College we pride ourselves on being able to offer a sporting experience for any child, regardless of ability.

Tim Watts

Director of Sport

Welcome from the Head of Cricket

A warm welcome to players, staff and spectators from us here at Cheltenham College. We are delighted to be hosting the U13 Girls Cricket IAPS this year, which promises to be a busy and exciting day.

We are thrilled that we are able to make the most of our fantastic facilities here at Cheltenham and accommodate an eight team tournament on our three grass squares on our fields. It really should create a fantastic buzz about the place to see so many kids enjoying the beautiful game that is Cricket.

I would like to thank the Cheltenham College staff across the departments for their help in the planning and preparation of today. Sport plays a major role in the co-curricular life of the school, where competition and participation are key aspects of our sports programmes. Boys' and girls' cricket enjoys centre stage in the Summer Term where we field 18 teams playing the sport across the year groups.

I hope you all have an enjoyable day of cricket and if at any point you have a question, please ask one of the Cheltenham Staff who will be on hand to assist. Good luck to each team and have a great competition.

Safeguarding

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSIe September 2021 document (these are available on our website: sport.iaps.uk/safeguarding).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS Code of Conduct, Photo Policy and Anti Bullying Policy. These are available to read and download from our website here: sport.iaps.uk/safeguarding.

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Nunan, Mike Kershaw, or a member of the organising team.

Code of Conduct for Spectators

Your school is a member of IAPS, the Independent Association of Prep Schools. IAPS is a school's association with 670+ member schools, both in the UK and internationally. IAPS was founded in 1893 and for over one hundred years we have been committed to supporting Headteachers in their roles as leaders of the top Prep and Independent Junior Schools in the country. Membership of IAPS says a great deal about the quality of the school you send your child to for their education.

The annual sports programme offers a range of team and individual events for children who attend IAPS schools. The children are able to compete in a fun, safe and competitive environment.

All organisers and qualified officials are passionate volunteers, who help us to deliver the events in line with National Governing Body rules and regulations.

Where permitted, we are delighted to welcome spectators to attend IAPS events to support the children. Our agreed code of conduct highlights IAPS's expectations of spectators, to ensure that all events are enjoyable and fair for the children involved, and we hope you would support us by reading and applying the following code;

1. Be a positive role model and lead by example; children are involved in sport for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules.
3. Respect the officials and their decisions at all times. Video evidence from spectators will not be accepted in any cases to dispute decisions.
4. Respect the coaches and their decisions. They give their time, energy and experience to coach your children.
5. Refrain from verbal or indeed physical abuse towards players, officials and fellow spectators.
6. Be friendly and respectful to the opposition.
7. Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
8. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
9. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://sport.iaps.uk/safeguarding>
10. Relax and enjoy the event.

IAPS wants all the competitions it runs to pass without any negative incidents. Excitement and emotion can run high at the events, not least amongst the supporters. Despite this, unpleasant and inappropriate behaviour is very rarely in evidence at our events but you should be aware that IAPS retains the right to ask you to leave the event, if you fail to comply with the code of conduct.

Thank you for your support in this important matter.
