Delegates will increase their knowledge and understanding of topics such as anxiety, depression, self-harm, eating disorders and suicide and the training will ensure an awareness of the MHFA Action Plan which includes knowing how to approach a young person with mental health challenges, assessing and assisting with crisis as well as gaining a greater awareness of appropriate professional help, other supports and learning the skills involved in listening non-judgementally. There will be ample opportunity to share best practice and discuss current challenges which exist in our schools. All delegates will receive a comprehensive course manual, workbook, MHFA action plan and certification as an MHFA Champion.

Audience All those staff with the mental health and wellbeing of pupils as their primary responsibility. Particularly relevant for form tutors, Heads of Year, matrons, senior management.
