Welcome

First and foremost, sport is about participation and enjoyment. Sport is an incredibly important part of the personal development of children.

Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year. With 22 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in.

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope you enjoy the competition and good luck.

Safeguarding

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE document (these are available on our website: sport.iaps.uk/safeguarding).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy & anti bullying policy. These are available to read and download from our website here: sport.iaps.uk/safeguarding.

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Nunan, Mike Kershaw or a member of the organising team.

Code of Conduct

Where permitted, we are delighted to welcome spectators to attend IAPS events. As a spectator/parent at an IAPS sports event, you have a responsibility to:

1. Be a positive role model and lead by example. Children are involved in sport for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules and respect the officials.
3. Always respect the officials and their decisions. Video evidence will not be accepted in any cases to dispute decisions.
4. Always respect the coaches and their decisions. They give their time, energy and experience to coach the children.
5. Refrain from any form of bad language or poor behaviour towards players, officials and fellow spectators.
6. Be friendly and respectful to the opposition.
7. Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
8. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
9. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://iaps.uk/sport/safeguarding.html>
10. Try to relax and enjoy the event!

IAPS wants all competitions to run without any negative incidents. Excitement and emotions can run high at events, not least amongst the supporters. Unpleasant and inappropriate behaviour is very rarely seen but you should be aware that IAPS retains the right to ask you to leave the event if you fail to comply with the code of conduct.

RULES AND REGULATIONS

All IAPS competitions are run in line with the national governing body (NGB) rules and regulations. Bee Netball is the format of the game for all children U11. The U11 competition will play Stage 3 (Stinger) of Bee Netball. This incorporates a minimum squad size of 7 players (can take a squad of up to 9) with 5 on the court at any one time.

Rules and regulations

Number of players on court: 5-a-side

Squad size: Min 7, Max 9

Gender: Girls only

Post Height: 9ft

Ball size: 4

Court size: width: min 10m max 15m length: min 20m max 30m

Rule adaptations: No WA, WD - pass within 4 seconds - defending is allowed - rotations - you will be asked to bring a copy of your rotations on the day. If you forget to bring a copy, you will be asked to complete one before matches start. Teams must rotate before each match and at half time. Schools must continue to work through the rotations throughout the whole tournament. You must not restart rotations for the knockout matches.

Fairness:

It will be impossible for IAPS, or the organisers, to police each tournament to ensure that schools are making the rotations that they have declared. We trust that by entering the tournament, schools are doing so in the spirit of the game. If IAPS becomes aware of a school that is not rotating fairly, they may risk their place in the knockout stages and at future tournaments.

Substitutions due to injury

When a player is injured during a match or a blood substitution is required, the player should, where possible, be replaced by the player off court who is due to come on in that position in the next rotation. The players should remain in that position until the next rotation. This could be half time if the injury occurred in the first half of a match. At that time a decision is made as to whether the injured player is able to return to the tournament. If she is deemed fit to return, all players should return to their original place in the rotation. If she is not able to return, then the players will remain in their new rotation positions for the remainder of the tournament. The injured player may not return at a later stage of the tournament.

Ball hitting the post

If the ball hits the post and comes back on to the court, it comes back into play. Play on.

SCORING

5 points for a win

3 points for a draw 1 point for scoring 50% or more of the winning team's score

Pool stage

The group order will be decided by the number of points scored by each team.

In the event of a tie on points, the following will decide final placings:

1. Goal difference*
2. Total goals scored.
3. Result between the two teams

*Goal difference is calculated as the number of goals scored in all leagues matches minus the number of goals conceded. e.g. Team 1 - 15 goals for - 5 goals against = +10 (this team wins) Team 2 - 19 goal for - 10 goals against = +9

Knockout stage: In the event of a draw in the knockout stages, the winner will be decided by:

1. 5 minutes of extra time. There will be a 2-minute interval after full time before starting the extra time.

2. A period of "Golden Goal". The first team to score a goal wins the match. The match does not stop after the 5 minutes, the umpires will communicate to all teams involved.
