

EYFS AUDIT

Cost: £1,000

A one-day visit to carry out a full EYFS compliance audit against the EYFS Safeguarding and Welfare Requirements 2023. As part of this visit, the consultant will provide a feedback session with the school, sharing headlines and then, within three weeks of the visit, share a full report.

A review of EYFS provision, a visit, analysis and report

- Preparation/admin: reading key school documents and policies, last ISI inspection report etc.
- In school: observations and interviews as agreed with the school
- Analysis of findings
- Discussion of findings with Head to provide key recommendations and/or development objectives
- Final report

A review of EYFS policies can also be included for an additional £500
