Welcome from the Principal of Framlingham College and the Head of the Prep School

We are delighted to host the IAPS U11 Girls' Hockey Qualifying Tournament at Framlingham College.

We extend a warm welcome to all schools and supporting parents. Hockey goes from strength to strength here at the College, with a number of players currently training with the England Development squads and we are delighted to have so many players here today from so many schools, to share in our love for the game.

The tournament today is to be enjoyed, first and foremost. We have no doubt that we will see some fantastic hockey, but as importantly, some great team spirit, mutual support and camaraderie. Sport has the magic to bring people together and we hope that today can be a celebration of exactly that.

Our thanks go to our Grounds staff for preparing the pitches and to Mr Andy Northcote, Head of Prep School PE & Games, for organising today's event. Mr Northcote, our Director of Sport, Mr Chris Gange, and our Head of Hockey, Mrs Lisa Letchford, will be available throughout the day to answer any of your queries about the tournament or about hockey at Framlingham College.

Have a wonderful day.

Welcome from IAPS Sport

First and foremost, sport is about participation and enjoyment. Sport is an incredibly important part of the personal development of children.

Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year. With 22 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in.

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope you enjoy the competition and good luck.

Safeguarding

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE September 2024 document (these are available on our website: sport.iaps.uk/safeguarding).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy & anti bullying policy. These are available to read and download from our website here: sport.iaps.uk/safeguarding
If you have any safeguarding concerns today, please don't hesitate to speak to Emily Connell, Mike Kershaw or a member of the organising team.

Emily Connell - Sport Events Manager & Designated Safeguarding Officer

Photography Advice

There is no professional photography at IAPS Sport events, however parents and spectators can take their own pictures. IAPS staff and representatives may use different forms of media to capture images or film, which will be used as listed in the IAPS media policy. IAPS will be the data controller of these images and it will be protected under our data protection policy.

There is no law against taking photos at public events for personal use, including pictures of other people's children (Ask the Police, 2018). IAPS asks parents and spectators to be cautious when sharing any images on social media.

The NSPCC have useful advice on sharing images here:

Code of Conduct for Spectators

Framlingham College Prep School is a member of IAPS, the Independent Association of Prep Schools. IAPS is a school's association with 670 member schools, both in the UK and internationally. IAPS was founded in 1893 and for over 120+ years we have been committed to supporting head teachers in their roles as leaders of the top prep and independent junior schools in the country. Membership of IAPS says a great deal about the quality of the school you send your child to for their education.

We provide services to our members offering support and guidance to head teachers and professional training for staff. We also provide opportunities for children to take part in sport and art competitions. We are not a private company solely engaged in running sports competitions.

The annual sports programme offers a range of team and individual events for children who attend IAPS schools. The children are able to compete in a fun, safe and competitive environment. All organisers and qualified officials are passionate volunteers, who help us to deliver the events in line with National Governing Body rules and regulations.

Where permitted, we are delighted to welcome spectators to attend IAPS events to support the children. Our agreed code of conduct highlights IAPS's expectations of spectators, to ensure that all events are enjoyable and fair for the children involved, and we hope you would support us by reading and applying the following code;

1. Be a positive role model and lead by example; children are involved in sport for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules.
3. Respect the officials and their decisions at all times.
4. Respect the coaches and their decisions. They give their time, energy and experience to coach your children.
5. Refrain from verbal or indeed physical abuse towards players, officials and fellow spectators.
6. Be friendly and respectful to the opposition.
7. Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
8. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
9. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://sport.iaps.uk/safeguarding>
10. Relax and enjoy the event.
11. IAPS wants all the competitions it runs to pass without any negative incidents. Excitement and emotion can run high at the events, not least amongst the supporters.

Despite this, unpleasant and inappropriate behaviour is very rarely in evidence at our events but you should be aware that IAPS retains the right to ask you to leave the event, if you fail to comply with the code of conduct.

IAPS Hockey Rules

All IAPS Hockey tournaments follow the In2Hockey Rules and regulations. The full rules and regs can be found on the England Hockey website.

Scoring

- 3 points for a win
- 1 point for a draw
- 0 points for a loss

Pool Stages

The group order will be decided by the number of points scored by each team.

In the event of a tie on points, the following will decide final placing's:

1. Goal difference
2. Goals scored
3. Winner of match between the tied teams*
4. Barrage of 3 penalty strokes
5. Sudden death penalty strokes**

*Head-to-head result between two teams is the result of the match played between the two tied teams.

**Sudden-death is started by the team that did not start the shoot-out and players may proceed in a different order from the initial best-of-three round.

Knockout Stages

In the event of a draw in the knockout matches, the winner will be decided by:

1. A period of "Golden Goal" extra time up to a maximum of 5 minutes.
2. Barrage of 3 penalty strokes.
3. Sudden death penalty strokes.

NB - In the U11 competition, penalty strokes can be taken 5m from the goal line rather than 7m.

Over Age Players Policy

If a school has a pupil who is out of age and wishes to play Hockey with their year group, they can apply directly to England Hockey for approval to play out of age.

Results

Results for team events will be published live using SOCS. Links to the results are available via our IAPS Sport app. Results for individual sports events will not be available live but will be published on our website as soon as possible after the event.

Please note all results are now published in the member area of our website which is only accessible to school staff. Parents should request any information from the school.
