# WELCOME FROM GLENALMOND COLLEGE

It is my great pleasure to welcome you all to Glenalmond College for today's IAPS regional qualifier. This is a very special day in the sporting calendar of all prep schools whose pupils relish the opportunity to pit their skills against old and new friends with the prize of a place in the IAPS finals later this year. We, too, love to see the talent and the enthusiasm of these younger players, and we are delighted to be able to host this event on our superb hockey pitches in this beautiful location.

Glenalmond has a long and proud history of sporting excellence, and it is a vital part of the education we offer here which seeks, in this sport, to strengthen the bodies, minds and spirits of our children through a game which develops resilience, determination, collaboration and skill. I hope that you enjoy the day and that, whatever the results, the competition is fierce but friendly and leads to new friendships and a host of good memories.

MRS. LUCY ELPHONSTONE – EXECUTIVE WARDEN

# WELCOME FROM GLENALMOND COLLEGE

# WELCOME FROM IAPS

First and foremost, sport is about participation and enjoyment. Sport is an incredibly important part of the personal development of children. Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year.

With 22 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in.

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope you enjoy the competition and good luck!

# CODE OF CONDUCT FOR SPECTATORS

Where permitted, we are delighted to welcome spectators to attend IAPS events.

## As a spectator/parent you have a responsibility to:

- Be a positive role model and lead by example. Children are involved in sport for their enjoyment and without undue spectator pressure.
- Encourage children to play by the rules and respect the officials.
- Always respect the officials and their decisions. Video evidence will not be accepted in any cases to dispute decisions.
- Always respect the coaches and their decisions. They give their time, energy and experience to coach the children.
- Refrain from any form of bad language or poor behaviour towards players, officials and fellow spectators.
- Be friendly and respectful to the opposition.
- Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
- Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
- Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://iaps.uk/sports/useful-information/documents-links.html>
- Try to relax and enjoy the event!

IAPS wants all competitions to run without any negative incidents. Excitement and emotions can run high at events, not least amongst the supporters. Unpleasant and inappropriate behaviour is very rarely seen but you should be aware that IAPS retains the right to ask you to leave the event if you fail to comply with the code of conduct.

# SAFEGUARDING

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE document. These are available on our [website](#).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy and anti-bullying policy. These are available to read and download from our [website](#).

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Nunan, Mike Kershaw or a member of the organising team.

# RULES AND REGULATIONS

## Rules and regulations:

### IAPS Hockey Championships

IAPS hockey tournaments follow the In2Hockey rules and regulations. The full rules and regs can be found on the England Hockey website here:

<https://www.englandhockey.co.uk/governance/rules-and-regulations/rules-of-hockey>

#### Scoring

- 3 points for a win
- 1 point for a draw
- 0 points for a loss

#### Pool stages

The group order will be decided by the number of points scored by each team. In the event of a tie on points, the following will decide final placings:

1. Goal difference
2. Goals scored
3. Winner of match between the tied teams\*
4. Barrage of 3 penalty shuffles (3 players selected from the squad)
5. Sudden death penalty shuffles\*\*

\*Head-to-head result between two teams is the result of the match played between the two tied teams.

\*\*Sudden-death is started by the team that did not start the shoot-out and players may proceed in a different order from the initial best-of-three round.

#### Knockout stages:

In the event of a draw at full time, the winner will be decided by:

1. A period of "Golden Goal" extra time up to a maximum of 5 minutes
2. Barrage of 3 penalty shuffles\*
3. Sudden death penalty shuffles\*

\*At U11 competitions, penalty strokes can be taken 5m from the goal line rather than 7m Over age players policy

If a school has a pupil who is out of age and wishes to play Hockey with their year group, they can apply directly to England Hockey for approval to play out of age. It is important to note that any requests made to NGBs are made to compete out of age group across all events for that sport, not just IAPS events
