Welcome

As Director of Sport it is my great pleasure to welcome you to the annual IAPS tournament here at Cheltenham College. It is a major event in the sporting calendar and it encompasses all the fantastic attributes that sport has to offer for girls.

Our mission at College is to promote a lifetime investment in sport and exercise, the thrill of being involved in a team dynamic and the satisfaction one gains from competition. It all adds such valuable experience which can, in turn, be applied to so many aspects of our lives. With this in mind, at Cheltenham College we pride ourselves on being able to offer a sporting experience for any child, regardless of ability.

Tim Watts

Director of Sport

Welcome from IAPS

IAPS passionately believes in the importance of sport as part of an all-round education for pupils. First and foremost, sport is about participation and enjoyment. It should be seen as an important part of the personal development of each child. IAPS hosts a wide range of sporting events each year which are hugely popular with pupils.

The 2022-23 sports programme saw over 22,000 children participate in one of 23 different sports on offer. With 150+ events annually, there is plenty of opportunity for pupils to take part in an IAPS event. For the 2022-2023 programme we hope to see even more children taking part in sport.

A full list of our events is available to see on our website; sport.iaps.uk

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope your school enjoys the competition – good luck!

Coaching Staff

College Hockey has a firmly established link with Cheltenham Hockey Club. The Club uses College as their training base, giving the girls an opportunity to train with National League players. The coaching staff at College have a wealth of playing and coaching experience from National League to international performance teams.

He coached Cheltenham Hockey Club at National league level before moving into elite sport with Hockey Wales. Starting off as an assistant coach with the Boys U18 programme he then shifted to be Head Coach of Wales U18 Girls, taking teams at U18 , U21 and Senior level to various European competition's. Most recently Gwyn has become part of the Men's Senior programme working with both Wales U21s and their Senior International team.

Within College Gwyn is Assistant Director of Sport and Assistant Housemaster of Southwood, a boys' Day House.

Safeguarding

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSIe September 2021 document (these are available on our website: sport.iaps.uk/safeguarding).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS Code of Conduct, Photo Policy and Anti Bullying Policy. These are available to read and download from our website here: sport.iaps.uk/safeguarding.

If you have any safeguarding concerns today, please don't hesitate to speak to Fran Hide or Emily Connell or a member of the organising team.

Code of Conduct for Spectators

Your school is a member of IAPS, the Independent Association of Prep Schools. IAPS is a school's association with 670+ member schools, both in the UK and internationally. IAPS was founded in 1893 and for over one hundred years we have been committed to supporting Headteachers in their roles as leaders of the top Prep and Independent Junior Schools in the country. Membership of IAPS says a great deal about the quality of the school you send your child to for their education.

The annual sports programme offers a range of team and individual events for children who attend IAPS schools. The children are able to compete in a fun, safe and competitive environment.

All organisers and qualified officials are passionate volunteers, who help us to deliver the events in line with National Governing Body rules and regulations.

Where permitted, we are delighted to welcome spectators to attend IAPS events to support the children. Our agreed code of conduct highlights IAPS's expectations of spectators, to ensure that all events are enjoyable and fair for the children involved, and we hope you would support us by reading and applying the following code;

1. Be a positive role model and lead by example; children are involved in sport for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules.
3. Respect the officials and their decisions at all times. Video evidence from spectators will not be accepted in any cases to dispute decisions.
4. Respect the coaches and their decisions. They give their time, energy and experience to coach your children.
5. Refrain from verbal or indeed physical abuse towards players, officials and fellow spectators.
6. Be friendly and respectful to the opposition.
7. Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
8. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
9. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://sport.iaps.uk/safeguarding>
10. Relax and enjoy the event.

IAPS wants all the competitions it runs to pass without any negative incidents. Excitement and emotion can run high at the events, not least amongst the supporters. Despite this, unpleasant and inappropriate behaviour is very rarely in evidence at our events but you should be aware that IAPS retains the right to ask you to leave the event, if you fail to comply with the code of conduct.

Thank you for your support in this important matter.
