SPORT AND PUPIL EXPERIENCE COMMITTEE

The Committee meets once a term and acts as a link between member schools and IAPS, identifying and discussing issues affecting sport and pupil experience across the sector. Heads can raise matters through their District Representative, who will bring relevant themes and emerging issues to the Committee for discussion.

We welcome feedback from members, which helps identify areas of common interest and inform the Committee's agenda. If there is a topic you feel warrants wider consideration, please contact your [District Representative.](#)
