# About IAPS

The Independent Association of Prep Schools (IAPS) represents over 660 of the world's top preparatory schools. IAPS is dedicated to promoting excellence in education and provides support to Head's who are committed to delivering the best learning and care for their pupils.

IAPS offers a wide range of sports and extra-curricular events designed to provide opportunities for pupils in member schools to enjoy the thrill of competition in a supportive and structured environment. The IAPS Sport and Pupil Experience programme is a key element of the Association's offerings, providing a diverse range of events covering multiple sports from athletics, swimming, and cricket to more specialised sports like fencing, skiing and shooting.

The Sport and Pupil Experience programme is organised and supported by a dedicated team, who work hard to ensure each event runs smoothly. The team offer assistance to hosts, providing guidance on event logistics, safety procedures, and best practices for effective event management. This support is essential in helping schools deliver high-quality events.

### Over the Board Competition

## iArt

An art competition, where pupils are encouraged to consider a theme and create a piece of artwork.

Pupils are also encouraged to work in a range of media - painting, drawing, collage, printmaking, sculpture - as long as it links to the theme.

The winners of each category will be invited to attend an awards evening in London where the winner's artwork will be displayed and their prize awarded.

The theme will be announced in the summer term, with entries opening in the spring term.

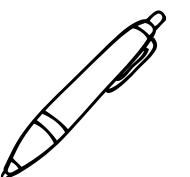

## Creative writing

The competition is open to all schools, featuring four categories for different age groups.

The winning writers in each category will see themselves in print, as each will have their story turned into an illustrated book! Prizes will also be awarded to the winning writers' schools.

The competition opens in the autumn term.

# Safeguarding

The welfare and wellbeing of all children and adults at risk, who attend an IAPS event, is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events, to fully comply with safeguarding procedures as laid out in IAPS Safeguarding policy and procedures and the KCSiE document.

Children must never be subject to any form of treatment that is harmful, racist, abusive, humiliating or degrading. All reasonable steps must be taken to promote the interests and well-being of children and protect them from harm, discrimination or degrading treatment, as all children have the right to be treated with dignity and respect.

IAPS's safeguarding policy and procedures sets out our approach to safeguarding and child protection.
