

## **IAPS Rounders Championships 2016**

This years competition has 68 entries from schools across the country. Knockout rounds took place throughout the summer term which produced the top four teams who were invited to the Finals Day at Windlesham House.

The top four teams were Cheam, Portsmouth Grammar, Witham Hall and Granville.

After a great day of amazing skill from such young girls, Witham Hall from Lincolnshire were the champions, with Granville being in 2nd place.

It was a fantastic day of competition and all the girls deserved to be winners.

Thank you to all schools who competed in this year's nationwide competition.
