U11's GIRLS HOCKEY

QUALIFIER

11 OCTOBER 2024

Haileybury

WELCOME FROM SCHOOL

25 September 2024

Please find enclosed the programme for the IAPS Girls' U11 Hockey to be held on the Haileybury All Weather Surfaces on Friday 11th October 2024. I hope that the directions enclosed will help those who are making the journey for the first time. **Please arrive by 9.00am** for the formal briefing (at 9.15am) and registration.

The format of the Qualifiers is a cup and plate competition after the pool stage. The number of sides entering means that each team will get a minimum of 6 games of hockey and if successful 7 games.

There is a maximum of 10 girls per squad. This will mean that there will be a lot of children and hopefully supporting parents around. Please make sure that valuables are kept safe as we cannot be held responsible for any missing items. Please ensure staff take responsibility for their squads and prevent children warming up/down on the muddy grass pitches nearby.

Please be aware that although we are hoping to be able to have neutral umpires on duty all day, there may be the requirement to ask some of you to umpire. Also please bring a small medical kit for any minor injuries that your players may sustain. A change of colour or a set of bibs may also be necessary as well as a match ball.

Each team will have access to a changing facility, although this will inevitably be shared with other teams. Therefore one would be best advised to arrive in kit. One half of the indoor sports hall is available with tables to set as a team base, as well as access to the other half for warm up or practice.

As per previous years, we are aiming to invite all students, coaches and spectators into our dining hall for lunch. Please still order your own school packed lunches in case there is a last minute change of plan.

ACTION:

Please email back

a) to acknowledge receipt of the information

b) to let me have a direct phone number which I may call on the morning of the tournament in the event of things being postponed/cancelled due to severe weather conditions.

c) Please advise if you are bringing anything larger than a 17 seater minibus, and if so, how big, so that we can accommodate for parking.

Yours sincerely,

Rob Schilling

Director of Hockey

WELCOME FROM IAPS

Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year. With 22 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in.

SAFEGUARDING

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE document (these are available on our website: sport.iaps.uk/safeguarding).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy & anti bullying policy. These are available to read and download from our website here: sport.iaps.uk/safeguarding.

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Connell, Mike Kershaw or a member of the organising team.

CODE OF CONDUCT FOR SPECTATORS

Your school is a member of IAPS, the Independent Association of Prep Schools. IAPS is a school's association with 670 member schools, both in the UK and internationally. IAPS was founded in 1893 and for over 120+ years we have been committed to supporting head teachers in their roles as leaders of the top prep and independent junior schools in the country. Membership of IAPS says a great deal about the quality of the school you send your child to for their education.

We provide services to our members offering support and guidance to head teachers and professional training for staff. We also provide opportunities for children to take part in sport and art competitions. We are not a private company solely engaged in running sports competitions.

The annual sports programme offers a range of team and individual events for children who attend IAPS schools. The children are able to compete in a fun, safe and competitive environment. Every year, over 160 events are organised, in 22 sports, with 22,000 children participating. All organisers and qualified officials are passionate volunteers, who help us to deliver the events in line with National Governing Body rules and regulations.

Where permitted, we are delighted to welcome spectators to attend IAPS events to support the children. Our agreed code of conduct highlights IAPS's expectations of spectators, to ensure that all events are enjoyable and fair for the children involved, and we hope you would support us by reading and applying the following code;

1. Be a positive role model and lead by example; children are involved in sport for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules.
3. Respect the officials and their decisions at all times.
 4. Respect the coaches and their decisions. They give their time, energy and experience to coach your children.
 5. Refrain from verbal or indeed physical abuse towards players, officials and fellow spectators.
6. Be friendly and respectful to the opposition.
 7. Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
 8. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
 9. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website: <https://sport.iaps.uk/safeguarding>
10. Relax and enjoy the event.

IAPS wants all the competitions it runs to pass without any negative incidents. Excitement and emotion can run high at the events, not least amongst the supporters.

Despite this, unpleasant and inappropriate behaviour is very rarely in evidence at our events but you should be aware that IAPS retains the right to ask you to leave the event, if you fail to comply with the code of conduct.
