ISAMS for supplying notebooks

We understand that every Independent School needs an MIS that makes life easier for staff, so you can deliver an outstanding education to your students. iSAMS achieves this by delivering an intuitive and easy-to-use cloud-based MIS that can be accessed from anywhere, with multiple third-party integrations to allow you to build a system that works for your school.

Capable Kids t/a Junior Duke Award for supplying water bottles

In a busy world it's too easy to do things for children, but when should they begin to take responsibility for themselves? Introducing Capable Kids, founders of the Mini Duke and Junior Duke Awards – a life skills award scheme for primary-aged children to encourage and develop increased independence, confidence and resilience.
