## IAPS U13 Hockey Friday 18 October 2024

Wothorpe Sports Centre  
Kettering Road, Stamford PE9 2LR

# Welcome

We are delighted to welcome the visiting teams and their supporters to Stamford as we host the U11 IAPS Hockey Tournament. We hope that everyone enjoys a wonderful day here, and embraces the sporting values which underpin our sports program – one where enjoyment of the experience is generated through growth, challenge and reward.

The ethos of sport at Stamford Schools is to give children a healthy attitude to physical activity throughout his or her school career and, more importantly, for life.

Most Saturdays we will have more than twenty-five hockey boys' and girls' Senior School hockey teams donning their school colours to represent Stamford, with a further twenty teams from the Junior School.

As we are keen to remind our young Stamfordians, remember that the biggest element of competition is not with the opposition, rather with oneself in terms of personal performances and measuring progress. Finally, remember to celebrate the sense of belonging that sport has a unique ability to foster through participation and representation.

Have a fantastic day.
