THE HARRISON MEMORIAL BURSARY FUND

(part of iTrust)

FORM OF APPLICATION FOR GRANT

2017-18

The Harrison Fund aims to assist children aged 8 - 13 to attend courses run by NPSO, NSSO, Eton Junior Choral courses and other courses where appropriate, where finance would otherwise preclude attendance. As income to the Fund comes solely and entirely from gifts and investments, the sum available for grants is therefore finite and limited. The policy of the Trust is to be generous to as many applicants as possible; but equally to be fair, prudent and reasonable. Parents are asked to consider with care the validity of their case.

The award of bursaries is assessed by the Secretaries of The Harrison Memorial Bursary Fund on behalf of their fellow Trustees. Application should be made on this form and sent to one of the Secretary addresses direct (see below). They may then make contact with the Head of the candidate's school, as appropriate. All information will be kept strictly confidential, will not be recorded or divulged, and will be destroyed when no longer relevant.

This form may be completed electronically, or by hand. If completed electronically, please ensure that you have typed your name in the signature row and have emailed this form from your own private, personal email account.
