# WELCOME

With very good reason the IAPS swimming finals are regarded as one of the jewels in the Association's Prep School sporting programme. Those of you who will swim in the events at the finals have battled through the preliminary stages and as a result the quality of competition will be the very best. Therefore on behalf of IAPS and the London Aquatics Centre, I would like to welcome you all to the 2023 IAPS national swimming finals and congratulate everyone who has made it this far. The swimmers here today represent the best from the 669 schools which make up the membership of IAPS and the pupils who attend them.

Their reward is an opportunity to compete at the iconic 2012 Olympic swimming venue. It is entirely fitting that a world class schools' association has combined with a world class venue to bring you this event. IAPS passionately believes in the importance of sport as part of a holistic education offered by the schools in membership of IAPS. The breadth of choice provided and the excellence of facilities and coaching in our schools gives us a great opportunity to introduce children to physical activity which is so important to their wellbeing. First and foremost, sport is about participation and enjoyment. So, during the day, let us celebrate all of the achievements with equal enthusiasm and encouragement. The IAPS code of conduct for sport has some very sensible advice on this matter and I'm sure all will want to encourage and praise the winners and other competitors in equal measure.

The IAPS swimming championships have grown significantly over the years, as indeed has the wider sporting programme the Association offers, but it is only thanks to the army of willing volunteers that such a huge event can take place. On your behalf, I would like to thank all those who have made today possible, especially the qualifying round organisers, the poolside officials, volunteers and organising team - all co-ordinated so brilliantly by the team at IAPS HQ.

I am sure we will have a wonderful day of competition and so I wish good luck to all those involved and thank you for joining us at London Aquatics Centre.

**Christopher King**  
IAPS Chief Executive

# EVENT INFORMATION

## Rules and regulations

The swimming finals shall be conducted under ASA laws and FINA technical rules of swimming. This is not a licensed meet.

## Refreshments

Only competitors are permitted to bring food and drink into the venue.

Spectators can purchase food and drink from the café by reception or from the refreshment trolleys on either side of the main spectator concourse.

## First aid

First aid is available all day. There are lifeguards on poolside. Please contact a member of staff from the venue or the IAPS organising team for any assistance.

## Changing facilities

Parents and spectators are not allowed in the changing rooms.

Only teacher/coaches, children competing and members of IAPS staff/volunteers will be allowed into the changing rooms.

## Results

All heat sheets, results and final races will be available via the Meet Mobile app. The app is available on the app store or via Google Play. There will be no printed results available on the day.

## Presentations

All presentations will be held on poolside immediately after each race.

# EVENT INFORMATION

## Warm-ups and races

It is the competitor's responsibility to attend their scheduled warm-up, report to the marshalling area and be ready on the starting block.

There will not be any announcements calling for competitors to attend races.

Heats and finals will run without a competitor if they are not in attendance on time.

For individual races, the finals' list will be published on the Meet Mobile app. Please check this regularly to confirm whether a competitor has qualified for the final.

## Discrepancies/appeals

Any discrepancies should be taken up by a member of staff immediately after a race has finished with the chief official.

Please go to the announcer on the poolside who will contact the chief official to speak with you.

No photo or video evidence is allowed.

The chief official's decision is final.

# SAFEGUARDING

## SAFEGUARDING

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE document (these are available on our website: [sport.iaps.uk/safeguarding](http://sport.iaps.uk/safeguarding)).

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy and anti bullying policy. These are available to read and download from our website here: [sport.iaps.uk/safeguarding](http://sport.iaps.uk/safeguarding).

If you have any safeguarding concerns today, please don't hesitate to speak to Emily Connell, Mike Kershaw or a member of the organising team.

# Thank you from the IAPS Sport team

The IAPS sports programme would not be possible without the host schools and organisers volunteering their time on behalf of IAPS. This year 38 qualifying galas were held across the country, which saw 285 schools and more than 4600 children taking part.

We would like to say a huge “thank you” to all the organisers, officials and volunteers who volunteered their time to deliver successful qualifying galas.
