

GIRLS U11 & U13
IAPS CRICKET TOURNAMENTS
AT EASTBOURNE COLLEGE

MONDAY 10 & WEDNESDAY 12 JUNE 2024

WELCOME FROM THE DIRECTOR OF CRICKET

Congratulations and thank you for making it to the IAPS U11 and U13 girls cricket tournaments. I am thrilled that there are so many enthusiastic young cricket players here today and I will be keeping an eye out for those who manage to integrate participation, competition, fairness and fun. Sport at the College is just one part of a *whole-of-learning* education and we support IAPS in its passionate pursuit of an ethos that places emphasis foremost on participation and enjoyment. Best of luck to all participants.

WELCOME FROM IAPS

IAPS passionately believes in the importance of sport as part of an all-round education for its pupils. First and foremost sport is about participation and enjoyment. It should be seen as an important part, but only a part, of the personal development of each child/ IAPS hosts a wide range of sporting events each year, which are hugely popular with pupils.

The sports programme provides opportunities for children to participate in a competitive and safe environment. There are over 170 events organised annually across 22 different sports. On average 22,000 children take part in an IAPS event.

A full list of our events is available to see on our website sport.iaps.uk

Whether this is your first time at an IAPS event or you have been entering them for many years, we hope your school enjoys the competition.

SAFEGUARDING

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and KCSIE document.

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school / club.

IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy and anti-bullying policy.

IAPS safeguarding procedures, policies and codes of conduct are available to read and download on our website: sport.iaps.uk/safeguarding

If you have any safeguarding concerns today, please do not hesitate to speak to a member of the organising team.
