

King's College  
TAUNTON

**U13 Girls' IAPS Regional Competition**  
*Monday 3 October 2022*

---

# Welcome to King's

King's College is a co-educational day and boarding school with around 490 pupils. We provide quality education for 13- to 18-year-olds, along with our prep school, King's Hall, who care and educate children aged two to 11.

Sport is pivotal to the all-round development of pupils at King's. It is built on the ideals of a healthy and balanced lifestyle, respect, discipline and a sense of sporting integrity. Throughout, it is firmly believed that everyone has something valuable to offer, and the systems in place aim to encourage general participation in an inclusive programme covering a wide number of sporting opportunities

We're delighted to be hosting this event and hope you enjoy your day with us.

## **IAPS**

First and foremost, sport is about participation and enjoyment. Sport is an incredibly important part of the personal development of children.

Thanks to our eager and enthusiastic membership, over 22,000 children take part in the IAPS Sport programme every year. With 23 sports to choose from and over 170 events organised annually, there are plenty of opportunities for our member schools to get involved in. The 2019-2020 programme was hit by the coronavirus pandemic however now that we are back, the 2021-2022 programme will be bigger and better than ever before.

To start with we have a brand-new website and sports app, both feature events, results, guidance and much more. You can visit our website at [iaps.uk/sport](https://iaps.uk/sport) and download the app on Apple and Android phones.

Whether this is your first time at an IAPS event, or you have been entering them for many years, we hope you enjoy the competition and good luck!

## Event Information

---

### Sport App

In September, a new sport app was launched. The app is home to all event information for schools and parents. The app is free to download on both Apple and Android phones.

### Results

Results for team events will be published live using SOCS. Links to the results are available via our IAPS Sport app. Results for individual sports events will not be available live but will be published on our website as soon as possible after the event.

Please note all results are now published in the member area of our website which is only accessible to school staff. Parents should request any information from the school.

### Merchandise

IAPS are delighted to have Shirt Logos as official merchandisers. They sell branded products both online and at events throughout the year.

All commission made from merchandise is directly put back into running the sports programme. Merchandise can be bought online at [www.iapssport.shirtlogos.co.uk](http://www.iapssport.shirtlogos.co.uk)

### Photography

There is no professional photography at IAPS Sport events, however parents and spectators can take their own pictures. There is no law against taking photos at public events for personal use, including pictures of other people's children (Ask the Police, 2018). IAPS asks parents and spectators to be cautious when sharing any images on social media. The NSPCC have useful advice on sharing images at <https://learning.nspcc.org.uk/research-resources/briefings/photography-sharing-images-guidance/>

The NSPCC have useful advice on sharing images.

### Safeguarding

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding Policy and Procedures, and the KCSiE September 2020 document (these are available on our website: [sport.iaps.uk/safeguarding](http://sport.iaps.uk/safeguarding)).

---

IAPS expects all coaches present to be DBS checked and have received relevant safeguarding training at their school/club. IAPS expects that all adults attending events have read the IAPS code of conduct, photo policy & anti bullying policy. These are available to read and download from our website here: [sport.iaps.uk/safeguarding](http://sport.iaps.uk/safeguarding)  
If you have any safeguarding concerns today, please don't hesitate to speak to Emily Connell or a member of the organising team.

**Code of Conduct**

Your school is a member of IAPS, the Independent Association of Prep Schools. IAPS is a school's association with 670 member schools, both in the UK and internationally. IAPS was founded in 1893 and for over 120+ years we have been committed to supporting head teachers in their roles as leaders of the top prep and independent junior schools in the country. Membership of IAPS says a great deal about the quality of

the school you send your child to for their education.

We provide services to our members offering support and guidance to head teachers and professional training for staff. We also provide opportunities for children to take part in sport and art competitions. We are not a private company solely engaged in running sports competitions.

The annual sports programme offers a range of team and individual events for children who attend IAPS schools. The children are able to compete in a fun, safe and competitive environment. During the 2018-2019 academic year, 160 events were organised, in 23 sports, with 22,000 children participating. All organisers and qualified officials are passionate volunteers, who help us to deliver the events in line with National Governing Body rules and regulations.

Where permitted, we are delighted to welcome spectators to attend IAPS events to support the children. Our agreed code of conduct highlights IAPS's expectations of spectators, to ensure that all events are enjoyable and fair for the children involved, and we hope you would support us by reading and applying the following code;

1. Be a positive role model and lead by example; children are involved in sport for their enjoyment and without undue spectator pressure.
2. Encourage children to play by the rules.

## Rules and Regulations

---

3. Respect the officials and their decisions at all times.
4. Respect the coaches and their decisions. They give their time, energy and experience to coach your children.
5. Refrain from verbal or indeed physical abuse towards players, officials and fellow spectators.
6. Be friendly and respectful to the opposition.
7. Teach children that effort and teamwork are as important as victory so that the result of each game is accepted without undue disappointment.
8. Turn defeat into victory by helping children work towards skill improvement and a positive sporting attitude.
9. Be aware that IAPS events have comprehensive safeguarding policies and procedures, available on our website [sport.iaps.uk/safeguarding](http://sport.iaps.uk/safeguarding)
10. Relax and enjoy the event. IAPS wants all the competitions it runs to pass without any negative incidents. Excitement and emotion can run high at the events, not least amongst the supporters.

Despite this, unpleasant and inappropriate behaviour is very rarely in evidence at our events but you should be aware that IAPS retains the right to ask you to leave the event, if you fail to comply with the code of conduct.

All IAPS Hockey tournaments follow the In2Hockey Rules and regulations. The full rules and regs can be found on the England Hockey website at [www.englandhockey.co.uk/governance/rules-and-regulations/rules-of-hockey](http://www.englandhockey.co.uk/governance/rules-and-regulations/rules-of-hockey)

### Pool stages

The group order will be decided by the number of points scored by each team.

In the event of a tie on points, the following will decide final placings:

1. Goal difference
2. Goals scored
3. Winner of match between the tied teams\*
4. Barrage of three penalty strokes
5. Sudden death penalty strokes\*\*

\*Head-to-head result between two teams is the result of the match played between the two tied teams.

\*\*Sudden-death is started by the team that did not start the shoot-out and players may proceed in a different order from the initial best-of-three round.

### Knockout stages

In the event of a draw in the knockout matches, the winner will be decided by:

1. A period of "Golden Goal" extra time up to a maximum of five minutes
2. Barrage of three penalty strokes
3. Sudden death penalty strokes

Please note, in the U13 competition, penalty strokes can be taken 5m from the goal line rather than 7m.

# King's College Sports Scholarships

**King's has an outstanding reputation in a number of sports at the very highest level and enjoys a national reputation.**

There is a balance to be struck between pursuing ambitious sporting goals and ensuring that elite athletes enjoy as normal and as productive a school life as possible; we believe we are very successful in achieving this balance.

Please visit [www.kings-taunton.co.uk/admissions/scholarships](http://www.kings-taunton.co.uk/admissions/scholarships) to find out more.
