WELCOME

The IAPS national swimming finals are back! On behalf of IAPS and the London Aquatics Centre, I would like to welcome you all to the 2022 IAPS national swimming finals and congratulate everyone who has made it this far. Qualifying for this event was no easy task. The swimmers today represent the best from the 663 schools which make up the membership of IAPS and the 165,000 pupils who attend them.

Your reward is an opportunity to compete at the iconic 2012 Olympic swimming venue. It is entirely fitting that a world class schools' association has combined with a world class venue to bring you this event. IAPS passionately believes in the importance of sport as part of a holistic education offered by the schools in membership of IAPS. The breadth of choice provided and the excellence of facilities and coaching in our schools gives us a great opportunity to introduce children to physical activity which is so important to their wellbeing. First and foremost, sport is about participation and enjoyment. So, during the day, let us celebrate all of the achievements with equal enthusiasm and encouragement. The IAPS code of conduct for sport has some very sensible advice on this matter and I'm sure all will want to encourage and praise the winners and other competitors in equal measure.

The IAPS swimming championships have grown significantly over the years but it is only thanks to the army of willing volunteers that such a huge event can take place. On your behalf, I would like to thank all those who have made today possible, especially the qualifying round organisers, the poolside officials, volunteers and organising team - all co-ordinated so brilliantly by the team at IAPS HQ.

I am sure we will have a wonderful day of competition and so I wish good luck to all those involved and thank you for joining us at London Aquatics Centre.

Cristopher King
IAPS Chief Executive

Only competitors are permitted to bring food and drink into the venue.

Spectators can purchase food and drink from the café by reception or from the refreshment trolleys on either side of the main spectator concourse.

Changing facilities

Parents and spectators are not allowed in the changing rooms.

Only teacher/coaches, children competing and members of IAPS staff/volunteers will be allowed into the changing rooms.

Results

All heat sheets, results and final races will be available via the Meet Mobile app. The app is available on the app store or via Google Play. There will be no printed results available on the day.

Presentations

All presentations will be held upstairs on the upper concourse immediately after each session.

SAFEGUARDING

IAPS believes that the welfare and wellbeing of all children (young people under the age of 18) and adults at risk attending an IAPS event is of the highest concern. All such persons have the right to safety and protection and any suspicions, concerns or allegations of harm will be taken seriously and will be dealt with swiftly and appropriately.

IAPS expects all adults attending the finals to have read the IAPS code of conduct for spectators, photo policy and anti bullying policy. These are available to read and download from our website.

IAPS expects all coaches/teachers present at the finals to be DBS checked, have read the IAPS code of conduct for teachers/coaches and have received relevant safeguarding training at their school/club.

IAPS expects all adults who are engaged with the delivery of sports events to fully comply with safeguarding procedures as laid out in the IAPS Safeguarding policy and procedures and the KCSiE September 2021 document.

If you have any safeguarding concerns at the event, please don't hesitate to speak to Emily Connell or Mike Kershaw at the event or a member of the IAPS organising team.

We would like to say a huge “thank you” to all the organisers, officials and volunteers who volunteered their time to deliver successful qualifying galas.
