## **Julia Martin**

The Independent Schools Examination Board (ISEB) has been supporting the education sector for over 120 years. Julia Martin joined ISEB as Chief Executive in 2021, bringing extensive experience in the education and assessment sector and a passion for digital transformation and product innovation. Coupled with her desire to ensure all pupils have access to and the capability for success, she has driven ISEB forward with a range of new digital products and qualifications whilst also championing children's wellbeing, accommodating neurodiversity and SEND requirements, working in partnership with parents, guardians and school colleagues to secure vibrant and rewarding futures for all involved.
