Q51: Create with Clay

Date: Monday 2 October 2023

Venue: St Helen's College, Parkway, Hillingdon, Middlesex, UB10 9JX, England

Cost: £199 (Non-IAPS members £299)

Working with clay is an exciting and tactile way to ignite children's creativity and to get hands on in the classroom whilst experiencing making 3-dimensional objects.

The day will provide the opportunity to experiment with air drying clay so no firing needed but can be adapted to kiln fired clay too. The Natural world will spark inspiration throughout the course, and we will focus on shape, form and texture to create a series of examples to take away and share with pupils, adapting to your project themes back in the classroom.

Audience: All those involved in teaching Art

Objectives: The course will give an understanding and knowledge of a range of introductory clay techniques including preparation of clay, choosing tools, attachment and adding decoration & texture. The practical sessions throughout the day will allow you to explore this exciting medium with some inspiring outcomes.
