IMPORTANT INFORMATION

IAPS courses are bookable online via the [courses and conference calendar page](#).

With the rising costs of conference venues, we have been working with our subject advisors and course directors to try and host some of the courses at our member schools. By doing this we are able to reduce the cost of the course to our members in recognition of the lower running costs of the venues. As a result, prices for the courses will vary depending on the location and length of the course. Staff at an IAPS Member school will benefit from a substantial discount. Schools can pay via BACS (through an invoice sent out by IAPS or a credit card at the point of booking).
