N77 Teen Tips: Motivation, theory and practise

Date Tuesday 30 November 2021, 1000-1130

Venue Online via Zoom

This session explores how to create environments which give pupils the permission to succeed without the pressure to succeed. It considers the impact of labels on mental health, self-esteem and confidence.

Audience IAPS Senior Leader members

Objectives We will explore the theory of motivation from a Transactional Analysis perspective and how we can use this knowledge to help others develop intrinsic motivation.

Course Director Alicia Drummond, founder of Teen Tips Ltd
