- Staff Induction
- Stress and Wellbeing
- Trainee Teachers
- Working with Others

**▲ Child Protection**  
Covering your responsibilities, signs of abuse and what to do if you have a concern about a child.

**▲ Designated Teachers**  
Helping designated teachers to support children in care, covering attachment and trauma, the care system and school funding.

**▲ Effective DSL**  
Helping the Designated Safeguarding Lead to develop crucial skills for their role.

**▲ Equality and Diversity**  
Aimed at increasing awareness of equality and diversity issues in schools, this title helps staff identify and deal with discrimination.

**▲ Fire Safety**  
Written by experts TP Fire & Security, this course is a crucial introduction to fire safety for all school staff.

**▲ GDPR Toolkit**  
Outlining the key changes resulting from GDPR and the actions you need to meet GDPR standards.

**▲ Online Safety**  
Introducing the principles of online safety, covering statutory requirements, online risks and how to support pupils and staff.

**▲ Preventing Radicalisation**  
Basic training on the Prevent duty: responsibilities, types of extremism, current concerns and practical safeguarding strategies.

**▲ Safe Information Handling**  
A guide to protecting information, the GDPR, storing data and how to keep technology safe and secure.

**▲ Whistleblowing**  
Looking at what whistleblowing is, when to blow the whistle, reporting a concern and the safeguards in place to protect whistleblowers.

**▲ Academic Literacy**  
 Outlining how teachers can help students to use academic language to communicate more effectively in exams and the workplace.

**▲ Active Questioning**  
 A practical method of getting more from the questions you ask during lessons.

**▲ Active Reading**  
 Outlining strategies that help pupils to interact with texts in lessons in a way that supports thinking skills and reading comprehension.

**▲ Adaptive Teaching**  
 Ideas and strategies to help teachers adapt their teaching to support all learners in the classroom.

**▲ Assessment for Learning**  
 An introduction to Assessment for Learning (AfL) with practical strategies to implement in the classroom.

**▲ Assessment for Learning: TAs**  
 Helping TAs to develop AfL with pupils using questioning and feedback.

**▲ Cognitive Load**  
 Outlines cognitive load theory and its implications for classroom practice and lesson planning.

**▲ Collaborative Learning**  
 Helping teachers promote a collaborative learning environment where pupils support each other.

**▲ Computer Science at KS3**  
 A course covering the basics of teaching computer science, with advice on software, the PRIMM approach and link learning.

**▲ Developing Comprehension**  
 Key guidance on how to support children's early comprehension skills by improving inference and deduction.

**▲ Developing Stronger Writing**  
 Helping teachers develop pupils' composition skills, especially at KS2.

**▲ Effective Lesson Planning**  
 Helping teachers to plan and design effective lessons.

**▲ Embrace Challenge**  
A short course helping teachers to stretch their pupils to encourage effective learning.

**▲ Engagement**  
Exploring ways to make the classroom engaging, drawing on prior knowledge, scaffolding and modelling.

**▲ First Year of Teaching**  
Helping early career teachers manage the challenges of the first year of teaching, maintain a good work-life balance and set themselves up for success.

**▲ Gender Equal Classroom**  
Increase your awareness of different perspectives on gender, inequalities and differences in achievement.

**▲ Grammar for Writing**  
Introduces the principles and practice of teaching grammar in context.

**▲ Grey & Invisible Students**  
A resource to help identify, monitor and improve the progress of middle ability students.

**▲ Improving Boys' Writing**  
Helping teachers to support boys in developing their literacy skills.

**▲ Improving Writing**  
Ideas for improving writing across the curriculum including talk for learning, links with reading and tips for modelling and using writing frames.

**▲ Independent Learning**  
Helping teachers promote and support independent learning in the classroom.

**▲ Inspiring Images**  
A course examining the benefits of using images in the classroom to enhance learning and improve engagement.

**▲ International TA**  
Offers advice to TAs working in international schools, from celebrating cultural diversity to developing interpersonal skills and building positive relationships.

**▲ Lesson Design**  
Helping teachers to prepare lessons which move learning forward in an engaging way.

**▲ Managing Behaviour**  
A detailed guide to life in the classroom and how to manage challenging situations.

**▲ Managing Cover Lessons**  
A course designed to help cover supervisors create a productive learning environment, ensuring better outcomes for pupils.

**▲ Managing Time**  
Helps with the development of strategies to spend time more productively and effectively.

**▲ Marking and Feedback**  
Outlining the features of effective marking and feedback, focusing on how to make it productive and manageable.

**▲ Misconceptions in Science**  
How to challenge science misconceptions in the classroom to enhance student learning.

**▲ Positive Behaviour: TAs**  
Helping TAs to improve their behaviour management skills in the classroom.

**▲ Positive Classroom**  
Practical ideas to help teachers create a welcoming environment in which pupils can thrive.

**▲ Primary Geography**  
Helping teachers to plan and teach geography lessons and assess pupils' understanding.

**▲ Primary History**  
Supporting primary teachers with teaching, planning and assessment in history.

**▲ Primary Maths**  
A guide to teaching primary maths and developing pupils' mathematical thinking.

**▲ Primary PE**  
Helping teachers to understand the wider benefits of high quality PE, with advice on planning and assessment.

**▲ Primary Science**  
Supporting primary teachers with teaching, planning and assessment in science.

**▲ Promoting Inclusion**  
Strategies to reduce exclusions and improve the behaviour and attainment of children with complex needs or SEMH problems.

**▲ Racially Equal Classroom**  
Increase your awareness of different ideas about race and racism, inequality in education and how to create a more inclusive environment.

**▲ Reading and Phonics**  
Helping teachers to support children learning to read, focusing on the key principles of reading, writing and spelling.

**▲ Reading into Writing**  
Helping KS2 and English teachers bring reading and writing together.

**▲ Reflective Practice**  
Outlines ways to encourage pupils to reflect on their learning and ways for teachers to reflect on their own work.

**▲ Resilient Learners**  
Exploring how teachers can encourage pupils to be more resilient and develop a positive and flexible outlook.

**▲ Retrieval Practice**  
Explains the methods of recall and the importance of practising it in the classroom to ensure independent learning.

**▲ Rich Texts**  
Helping KS2 and English teachers strengthen their text selections.

**▲ Role of the Key Person (EYFS)**  
Helping the key person to understand and effectively carry out their role.

**▲ Rosenshine in Practice**  
How to apply Rosenshine's principles to your teaching.

**▲ Science Enquiry**  
Outlining ways to develop students' scientific mindset, evaluative skills, ability to explain and creativity.

**▲ Science Exams**  
Discusses how teachers can prepare students for GCSE and A level science examinations.

**▲ Science Practicals**  
Explores the benefits of practical work and suggests ways of using practicals to help students put learning into context and prepare for assessments.

**▲ Secondary History**  
An introduction to secondary school history, including discussion on conceptualising, structuring and teaching history.

**▲ Socially Inclusive Classroom**  
Increasing school staff's awareness of social class, inequality in the classroom and how to create a more inclusive environment.

**▲ Songs for Learning**  
Featuring 32 original tracks and lyrics, this resource helps teachers engage and inform pupils using music and song.

**▲ Speaking and Listening: TAs**  
Helping TAs to support speaking and listening activities in the classroom.

**▲ Starting Invigilation**  
Helping invigilators understand their responsibilities, carry out exam regulations and effectively manage exams.

**▲ Stop Cheat**  
Designed to help invigilators spot, deal with and prevent cheating in the exam room.

**▲ Storytelling**  
Providing tips, ideas and practical strategies to help teachers enhance the learning process through storytelling.

**▲ Study Skills**  
Guidance on helping students to develop vital study skills and become active learners.

**▲ Supporting EAL Learners**  
Outlining the challenges EAL learners face at school and what teachers, carers and other students can do to help them succeed.

**▲ Supporting HPA Students**  
Ways to support students with high prior attainment, covering theories of ability and creating an effective learning environment.

**▲ Supporting Literacy: TAs**  
Helping teaching assistants to develop key skills in supporting reading, spelling and subject-specific vocabulary.

**Supporting Numeracy: TAs**  
Helping TAs to develop effective teaching strategies in numeracy.

**Talk for Learning**  
A short course for classroom teachers covering questioning skills, group work and talk for learning.

**Teaching the Class Novel**  
Ideas and activities for teaching the class novel including developing reading skills, using drama and writing exercises.

**Teaching Creative Writing**  
Helping teachers to enhance pupils' creative writing skills.

**Teaching Non-Fiction**  
How to develop pupils' reading, analytical and writing skills, as well as their engagement with non-fiction texts.

**Teaching Poetry**  
Supporting English teachers and departments to develop pupil engagement with poetry.

**Technology for Teaching**  
How to use ICT to support teaching and learning, both inside and outside the classroom.

**Teaching Shakespeare**  
Supports English teachers in developing a repertoire of teaching strategies to apply to any of Shakespeare's plays.

**The EYFS Framework**  
A course introducing the Early Years Foundation Stage Framework.

**Working as a TA**  
Helping TAs to understand their role, responsibilities and key relationships.

**Working With TAs**  
A guide to working with and making the best use of teaching assistants.

**▲ Career-Related Learning**  
How to implement career-related learning that raises aspirations for all primary-school children.

**▲ Coaching Fundamentals**  
An introduction to great coaching: the skills, models and tools you will need to move others towards their goals.

**▲ Community Engagement**  
Advice to help schools engage with the community, promote inclusion, improve outcomes and contribute to school development.

**▲ Curriculum Efficiency**  
Looks at benchmarked efficiency metrics and their impact on curriculum provision, concentrating on the ICFP methodology.

**▲ Developing an ICT Strategy**  
Helping schools to formulate a successful, sustainable ICT strategy.

**▲ Digital Strategy**  
Helping senior leaders understand and develop effective digital strategies for communication in today's media environment.

**▲ Effective Communication**  
Outlining the key components of effective communication, and the skills needed to allow you to communicate well with your team.

**▲ Effective Meetings**  
Discover what effective meetings look like, and develop the skills and strategies needed to make them work.

**▲ English Leads**  
Helping English and literacy leaders to improve writing across the whole school.

**▲ First Steps in Leadership**  
Helps aspiring leaders advance their career by managing a school improvement project and evaluating their leadership skills.

**▲ How to Pick Winners**  
How leaders can improve recruitment processes and practice to reduce the risk of poor appointments.

**▲ Intervention in English**  
Helping teachers to design an effective intervention strategy.

**Leadership Styles and Climate**  
An opportunity for school leaders to assess leadership styles and their impact on performance and motivation.

**Leading Departmental CPD**  
Providing CPD leaders and others with ideas for CPD activities to develop subject knowledge and reduce workload.

**Low Level Disruption**  
Outlines how to develop and maintain a whole school approach to low level disruption such as the Ready to Learn behaviour system.

**Managing Change**  
Covering why schools change, different approaches to change management and how to deal with resistance to change.

**Managing Difficult People**  
Helping you develop better strategies for dealing with obstacles and barriers that too often derail change and improvement.

**Managing Wellbeing**  
A course for school leaders on the main issues and current thinking around wellbeing, with ideas for supporting and developing staff wellbeing.

**Managing Your Time**  
A short course to support you in understanding how you use time, become more efficient and delegate effectively.

**Media Engagement**  
Supporting school leaders in engaging with wider audiences within today's media environment.

**Mentoring Trainee Teachers**  
Helping mentors of trainee teachers use theories of mentoring and practical strategies to support progress and confidence.

**Middle Leaders**  
Helping you develop a better understanding of the ways in which middle leaders manage and motivate their colleagues.

**Organisational Climate**  
This course aims to help you understand how leaders impact on their organisation and create a positive climate for school improvement.

**Public Speaking**  
Preparing school leaders for planning and delivering effective communication in all areas of school life.

**▲ Resilient Leaders**  
A guide to staying resilient; looking at confidence, perception of leadership, motivation and maintaining connections with others.

**▲ Successful CPD**  
A short guide to leading and managing change with the CPD Library.

**▲ Supporting HE Applicants**  
Outlining the university application process: raising aspirations, writing references and supporting CLA and Oxbridge students.

**▲ Team Leaders**  
Helping team leaders improve leadership skills, full of activities to help your team develop, achieve its goals and boost morale.

**▲ What Makes a Great Head**  
Encouraging heads to reflect on the motivation, characteristics and values they have brought to school leadership.

**▲ When is My Time Up?**  
Exploring the concept of individual and team life cycles and how to minimise their impact on schools, staff and personal wellbeing.

**▲ Whole School Intervention**  
Helping senior staff to action plan a whole school approach to intervention.

**Attachment**  
 Covering the history of attachment theory and its role in relationships and professional practice, with practical advice.

**Beat Bullying**  
 Helping staff understand bullying, plus practical anti-bullying strategies and resources to use with pupils to discuss bullying.

**Compassionate TA**  
 Focuses on the interpersonal skills the TA needs to fulfil their role and work effectively with pupils, teachers and leaders.

**Considerate Form Tutor**  
 Helping form tutors to meet their challenging responsibilities and improve the dynamics of their classroom.

**Family Issues**  
 An introduction to family issues, including divorce, bereavement, domestic violence and sibling relationships.

**Learning Needs**  
 Covering learning needs such as Gifted & Talented, learning difficulties, and behavioural and communication needs.

**LGBTQ+ Inclusive Classroom**  
 Exploring history, language and practical issues, this course helps teachers increase their knowledge and promote an LGBTQ+ positive environment.

**Medical Conditions**  
 Discussing the general issues surrounding long-term conditions and disability, plus information on many specific conditions.

**Mental Health**  
 A guide to common mental health issues and how they affect pupils.

**Partnerships with Parents (EYFS)**  
 Helping early years staff to build and maintain effective partnerships with parents.

**Social Needs**  
 Covering a range of social and wellbeing issues, including staying safe, friendships, relationships and resilience.

**Supporting Adopted Children**  
 Exploring how schools can support children who have been in local authority care, with guidance on admissions, funding and mental health.

▲ **Supporting SLCN: Early Years**  
 How to support early years children with SLCN by deploying strategies such as appropriate interaction, modelling and vocabulary development.

▲ **Supporting SLCN: Primary**  
 How to support primary pupils with SLCN by deploying strategies such as sequencing, modelling and multi-sensory approaches.

▲ **Trauma and ACEs**  
 An introduction to the effects of trauma and adverse childhood experiences, with ideas for supporting young people and increasing their resilience.

▲ **Understanding ADHD**  
 This short course introduces teachers to ADHD and the challenges faced by pupils with ADHD.

▲ **Understanding Autism**  
 A course intended to help deepen understanding of autism, leading to acceptance and inclusion.

▲ **Understanding the Child**  
 Detailed information on the medical, social, cultural and developmental needs that children may have.

▲ **Understanding CSE**  
 Promotes understanding and awareness of what child sexual exploitation is, how to spot it and how to deal with concerns.

▲ **Understanding Dyslexia**  
 Helping school practitioners, parents and carers understand dyslexia and develop a dyslexia-friendly atmosphere.

▲ **Understanding Street Gangs**  
 Helping school staff and adults working with children understand gang culture and support young people at risk.

▲ **Working with Parents**  
 Exploring how teachers can build relationships with parents/carers and encourage them to get involved in their child's education.

▲ **Year 7 Transitions**  
 Helping teachers and form tutors support their students through the primary-secondary transition process.

**Being Resilient**  
Guidance to help rejuvenate staff and build resilience through focusing on achievable changes.

**Communication at Work**  
Ten key topics to help you improve your communication with others.

**CPD Explained**  
Helping staff to make the most of their training opportunities and embed professional learning into everyday teaching practice.

**Customer Service**  
Learn how to apply customer service skills with confidence in an education context.

**Relaxation**  
Features everyday exercises, visualisation tools breathing techniques and to help you relax and feel more in control.

**Managing Yourself**  
Ten key topics to help you improve your self-management.

**Staff Induction**  
Ensuring staff members have as smooth a start as possible to their new post at school.

**Stress and Wellbeing**  
A short course promoting greater staff wellbeing through identifying and managing causes of stress.

**Trainee Teachers**  
A short course designed to help you understand and prepare for the challenges of your training year.

**Working with Others**  
Ten key topics to help you build strong relationships in the workplace.
